Methodist Episcopal Church,
Barrington, Ill.

Dear Madams:

Referring to agreement dated January 7, 1931 in connection with interest to be paid Emma Adelle Winter on the bequest to your society by Charles O. Winter, deceased, please be advised Mrs. Winter passed on June 29, 1933 which, of course, terminates said agreement. According to Mr. Winter's will, his estate, which was held in trust during Mrs. Winter's lifetime, has passed to his neice, Florence V. Tunison who has instructed us to cancel the full amount now owing by your society for interest due on this bequest. Mrs. Tunison has asked us to express her appreciation of the assistance given Mrs. Winter and is happy to waive the claim for interest due as a small memorial to Mrs. Emma Adelle Winter.

Yours very truly,

PHILETUS W. GATES, TRUSTEE
