Summer 2007 Newsletter

12 CHARITIES SHARE \$81,000 IN GRANTS

The graph and list of donors inside really tell the story of the purpose of the Community Foundation. Our objective is to address the unmet needs of the community by granting 5% of our net assets averaged over the trailing 12 quarters to worthy projects. These projects must not duplicate existing programs, should be innovative and should not come from organizations that are primarily tax-subsidized.

We made our first grants in 2000 for a total of \$5,000. This year the awards were for \$81,000 and went to 12 charities. Over the past eight years, the Foundation has granted \$260,900. Since we are an endowment fund, all the money donated is still invested. We "spend" only the proceeds, as outlined above.

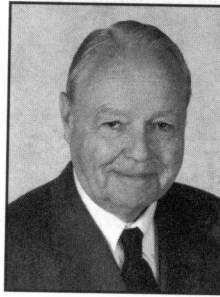

The largest grant this year, \$11,000, was given to Barrington Youth and Family Services for its soccer scholarship program for youths largely in the Carpentersville area. In cooperation with the Barrington Area Soccer Association, BYFS will organize a summer league, provide uniforms and equipment, coaches and family support for the boys. Without this grant, these young people would have no organized activities in the summer.

Each year an award of \$1,500 is made to the organization for best use of volunteers in the past year. This year's award went to Barrington Giving Day for the work of so many volunteers in December weather who gather clothing and other donated items to distribute to less fortunate families during the holiday season.

The awards are made each year at a breakfast for the winners. Each winner tells the story of the project that is being funded. The winners tell us it is one of the best meetings of the year because these volunteer leaders get to hear what the others are doing. More than one joint effort has resulted from this meeting.

The amount and procedures for 2008 will be announced in the fall at a meeting to which all listed charities are invited. Mary Bradford-White takes over the grant review committee from Bob Jensen starting with the fall meeting. Grant Request Forms will be posted on our website, www.barringtonareacommunityfoundation.org for the convenience of the community. The process is simple: a one-page summary which will be used as a basis for a thorough interview by a member of the grant review committee. Awards are announced each May.

PRESIDENT'S COLUMN

Norval Stephens

When we finally reached \$100,000 in endowment the end of 1999, we decided to give \$5,000 in grants in 2000. From then on, what we were organized to do became clear to the community. And our annual donations regularly exceed \$200,000. Today, our endowment is \$2.4 million and we just announced 2007 grants of \$81,000!

We never forget that we are acting on your behalf both in investing the funds and in carefully choosing the charities that are addressing successfully the unmet needs of the community. On May 21, when Bob Jensen announced the awards to the winners, we heard heart-warming stories of how your money, offered as seed money to start new programs, has challenged the charities to rethink and re-evaluate their programs—and change programs when necessary.

Again last year, we held our expenses to less than 1% of assets. That is because we have no staff, each director is expected to contribute time, talent and treasure, and we hire services as needed. Our investment committee got its report card: in 2005, the last full year reported, the average community foundation's managed assets grew 6.3% while ours grew 8.8%. So this issue is to say thank for the privilege of serving you and the community.

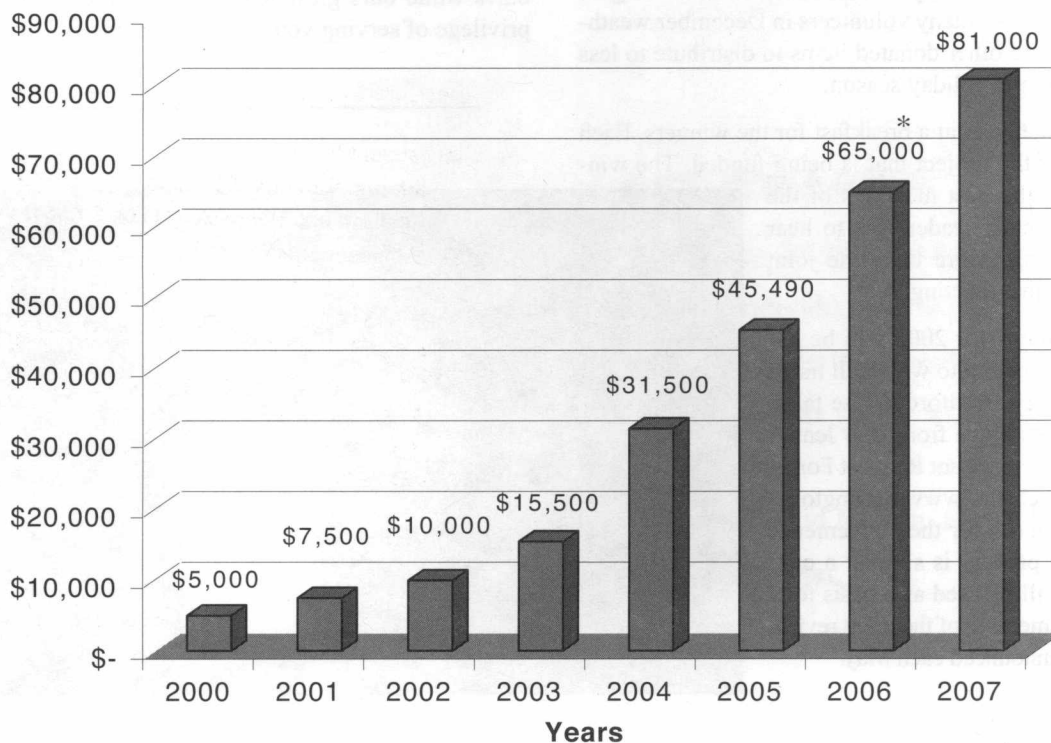

Directors: Mary Bradford-White, Young Chung, Kim Duchossois, James Fitzgerald, Skip Gianapulos, Kay Gillespie, Laurence Gott, David Hirsch, Robert Jensen, James Lancaster, Shawn McKenzie, Gerald Nadig, David Nelson, William Noyes, Luis Padilla, Marilyn Patrick, Glenn Reed, Gilbert Reich, Donna Smith, Norval Stephens, Gillian Stoettner, Charles Sweet, David Waring, George Yapp, Rich Zaccaroli

GOLF OUTING WASHED OUT...NOT REALLY

June 4 was our fifth annual golf outing, this year at Wynstone Golf Club. We always stage the outing on the first Monday in June. Every other year has blessed us with perfect summer weather. Not 2007. It rained all day. Golf was washed out... but not the event

For the 100 plus golfers, it was a dismal day. But Wynstone graciously announced that the round of golf would be honored any Tuesday, Wednesday or Thursday this season, no further charge. That was the most sun we had until dinner.

Despite the still threatening weather, more than 100 returned for dinner and our live action. David Nelson for the fifth year was auctioneer, assisted by spotters Gillian Stoettner, Marilyn Patrick, Kay Gillespie and Gil Reich. Spirited bidding for the many offerings contributed \$30,900 to the Foundation endowment. Final totals are not in yet, but the generosity of the golfers and donors will increase the endowment by more than \$100,000.

Dave Nelson, center, won the putting competition and walked away with the 50 inch Plasma TV. Surrounding him are Skip Gianapolus (finalist), Dave Hirsch, Addie Hirsch, Keith Malooley, Bill Kuehn, and Gil Reich (also a finalist).

MEET MORE WINNERS

Here are pictures of more of the winners being presented with their grant awards for 2007 by Bob Jensen. All these faces were made happy as a result of your generosity.

Receiving a \$10,000 check is Joyce Palmquist and Cathy Schulze of Barrington Area Council on Aging.

Curt Larsen and Dave Gillis receive a check for Barrington Area Historical Society.

The Roy Wilmering Scout Cabin will begin a long-term rehabilitation program with the check Claire Leininger and Cindy Fitzharris took away.

GOLF OUTING WASHED OUT...NOT REALLY

June 4 was our fifth annual golf outing, this year at Wynstone Golf Club. We always stage the outing on the first Monday in June. Every other year has blessed us with perfect summer weather. Not 2007. It rained all day. Golf was washed out... but not the event

For the 100 plus golfers, it was a dismal day. But Wynstone graciously announced that the round of golf would be honored any Tuesday, Wednesday or Thursday this season, no further charge. That was the most sun we had until dinner.

Despite the still threatening weather, more than 100 returned for dinner and our live action. David Nelson for the fifth year was auctioneer, assisted by spotters Gillian Stoettner, Marilyn Patrick, Kay Gillespie and Gil Reich. Spirited bidding for the many offerings contributed \$30,900 to the Foundation endowment. Final totals are not in yet, but the generosity of the golfers and donors will increase the endowment by more than \$100,000.

Best Use of Volunteers

(This award is made each year for the local organization that best made use of volunteers)

Barrington Giving Day 1,500

Total Grants **\$81,000**

* In 2006, there was an anonymously funded immediate need grant of \$25,000.

12 CHARITIES SHARE \$81,000 IN GRANTS

The graph and list of donors really tell the story of the purpose of the Community Foundation. Our objective is to address the unmet needs of the community by granting 5% of our net assets averaged over the trailing 12 quarters to worthy projects. These projects must not duplicate existing programs, should be innovative and should not come from organizations that are primarily tax-supported.

We made our first grants in 2000 for a total of \$5,000. This year the awards were for \$81,000 and went to 12 charities. Over the past eight years, the Foundation has granted \$260,900. Since we are an endowment fund, all the money donated is still invested. We “spend” only the proceeds, as outlined above.

The largest grant this year, \$11,000, was given to Barrington Youth and Family Services for its soccer scholarship program for youths largely in the Carpentersville area. In cooperation with the Barrington Area Soccer Association, BYFS will organize a summer league, provide uniforms and equipment, coaches and family support for the boys. Without this grant, these young people would have no organized activities in the summer.

Each year an award of \$1,500 is made to the organization for best use of volunteers in the past year. This year's award went to Barrington Giving Day for the work of so many volunteers in December weather who gather clothing and other donated items to distribute to less fortunate families during the holiday season.

The awards are made each year at a breakfast for the winners. Each winner tells the story of the project that is being funded. The winners tell us it is one of the best meetings of the year because these volunteer leaders get to hear what the others

are doing. More than one joint effort has resulted from this meeting.

The amount and procedures for 2008 will be announced in the fall at a meeting to which all listed charities are invited. Mary Bradford-White takes over the grant review committee from Bob Jensen starting with the fall meeting. Forms to be used to request a grant will be posted on our website,

www.barringtonareacommunityfoundation.org

for the convenience of the community. The process is simple: a one-page summary which will be used as a basis for a thorough interview by a member of the grant review committee. Awards are announced each May.
