Dear Mr. Dotts:

Your letter of October 20, 1943, asking us to accept your resignation as a member of the Official Board of the Barrington Methodist Church was read at our regular monthly meeting November 3, 1943.

Your resignation was accepted, but with the unanimous expression of regret by the board members.

We have enjoyed your fellowship and the association with you. The loyal support you have given us as a member of the board and you and your family have given the church has been greatly appreciated.

Sincerely yours,

The Official Board of the  
Barrington Methodist Church
