

B. Plimpton, Ch., J. Bell, W. Dotterer, F. Lindberg, and C. Roselle

Recommendations.

1. The committee recommends that , in the future, the discussion and planning of the business and financial affairs of the church be the chief concern of the board of trustees and that discussion of these affairs in the meetings of the board of stewards be limited to the recommendations of the trustees.

2. Whereas this church has grown spiritually and materially during the last four years, and whereas, the influence of the church can, with the proper leadership, become greater in leading the people of Barrington in the Christian way of life, and whereas the nominating committee unanimously concurs in the opinion that the Rev. Doenecke should continue his ministry here

I, therefore, move, in the name of the nominating committee, that the Rev. Doenecke be given a rising vote of confidence in the work that he has done in leading this church and the plans he has for the future.
