EXPLANATIONS AND DIRECTIONS.

THIS department of the Record, as will be seen, is furnished simply with head and side rulings, being designedly left without any printed headings, that it may be adapted to any purpose that may be desired. If, for example, any other department should prove to be too small, a portion of this Appendix could be so ruled and headed as to supply the deficiency. Or if it should be desirable to preserve some *report*, or some other item of interest in connection with the Church that did not properly come within the province of any of the other departments, it could be entered here. Or if the officary of the Church should desire to have a *Chronological List* of its deceased members, or anything of the kind, it could be placed here. Care, however, should be taken, in using this department, not to occupy too much space with any one item, as it may be needed for others of *equal* if not *greater* importance.
