May 6-7 Remembrance Sale

We settled on our Affaire
project. Phyllis Janis' mother-in-law
will crochet them - and we will take
orders at \$10 for the labor plus the yarn
which will be paid for by purchaser.
Marge Zatt & Phyllis will collaborate on fun
for ordering.

We settled on our Christmas project

for sand raising. The angle made
from a tin can top - and a attractive
bottle called a "Brown Bagger" which
might be easy to duplicate.

Francis Melendy gave the
decisions from her Broadmural
Progress.
