DECEMBER 2004

PASS IT ON!

LETTER FROM PRESIDENT TOM LAUE

In 2004, BYB&S began a number of initiatives to improve our fields and the camaraderie of the BYB&S community. THANK YOU to all who joined us in the Opening Day Celebration, Baseball Faire, Golf Outing, and Flyers Game, and to our many players and families who now proudly wear our BYB&S apparel. Our fundraising efforts were a huge success last year, and enabled BYB&S to build two new fields at Station Middle School that will form the backbone of a new playing center. Our expansion program is not complete, so we hope you will participate in our fundraisers this year as we look to add at least one and possibly

four new fields for the 2006 season.

Please get involved to improve our programs through our standing committees and commissions. These groups provide a forum to voice constructive criticism and allow you to help us change our programs for the better - watch the BYB&S website for the meeting notices.

Thank you all for entrusting myself and my fellow board members with developing and guiding a program that we hope will have a positive impact on the development of your children. We look forward to a safe, successful season. Please do not hesitate to contact me with any
