

BARRINGTON POST NO. 158

American Legion  
Special Executive Meeting

January 14, 1977

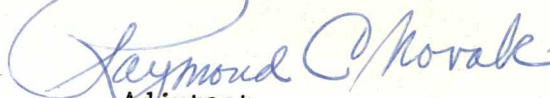

Special Executive Meeting opened at 8:05 P. M. to honor our beloved comrade, Perry Conrad, on the eve of his departure from the confines of Barrington Post No. 158.

Many comments were made by members present of Perry Conrad's devotion and unselfish contributions of time, use of his own funds, and labor of love, for the American Legion, Barrington Post No. 158 and all its members. The offices he held, especially his untiring efforts as Post Chaplain, Hospital Services Representative, and his highest post as Commander, will leave this Post filled with deep and beautiful memories of a job well done, thirty-two years of loyal and devoted service to the American Legion Post and its programs. The members unanimously grant a paid up membership -- Honorary Life Membership -- to Perry Conrad.

Letter of resignation as active member pending.

Birthday dinner in March.

Respectfully submitted,

  
Adjutant
