Salute to Veterans on Their Day

Remember Way Back When...of the past and what it might be like to see it if it is possible to go back in time to make a wish. Everyone can remember when we moved to this area, before we were all children, and how it has changed over the years. The village of Kildeer has grown and changed, but the memories of our past remain.

Topping St. Anne's Bridge Tally

First race bulls in the Barrington St. Anne Bridge horse race, the horses were described as the ugliest. After last year's event, "The Gay Sweat Band" was played on the final fundraiser until police arrived.
