LBS Ladies Club Feels Great About '08

LBS Ladies Club had a solidly-packed monthly array of interesting, educational and/or entertaining programs in 2008. We hope all that attended enjoyed and will continue to join the group the second Monday of each month. Those who have not yet done so, consider this array and what potential exists for 2009.

In January an annual Game Day was featured accompanied by Chili luncheon. February came along with Sal Milaazo explaining issues related to Digital TV. In March, Barbara Benson of the Barrington Historical Society shared interesting tales of History of and Development in Barrington.

On a Sunday, April afternoon, men and women of LBS were entertained by a group of actors using sound effects to bring nostalgia and relive the wonderful years of Old Time Radio.

May brought a visit from Mary and Harold Robbins, past presidents of the Barrington Chapter of Lyric Opera of Chicago with interesting little-known tales of the Lyric. In early June, a program on Reflexology was shared. On an absolutely perfect evening in late June, a large group enjoyed Sounds of the Carribean; Steel Drums and Tiki lights at poolside with wine and refreshments.

LaBinia lawn concert returned in July to a large number of people. This event, as well as the Food Drive and the Barrington Giving Day in November, were co-sponsored with LBS Management.

August brought a very popular event; Luncheon and Fashion Show by Coldwater Creek. Good news: it was a sellout crowd. Bad news: a number of people had to be turned away. Kathleen L. McCann entertained in September with Craft Ideas for Young Children. And Lanny Ori, a favorite book reviewer, entertained and informed about American Women Who have Impacted the U. S. during the October meeting.

Kim Allen of Merle Norman came in November to give beauty hints and suggestions. Then in December, once again the very festive Champagne Party, opened to all residents of LBS.

A busy year, but successful, as well as fulfilling. We look forward to seeing you all in 2009.

R & R in January

Come on and join the fun! On January 12 at 10:30 in the LLL, LBS Ladies Club is again sponsoring a **Game Day!** All are invited to spend time playing your favorite card or board game. Arrange for a few friends to join you in whatever game you most enjoy and bring the essentials. Call Bonnie Vaughan at 847-382-5324 to book it. Or, if you wish, call Bonnie to arrange a match with others who may have expressed a similar interest.

Play, laugh, enjoy and then.....the group will be served a nice winter lunch of hot soup and sandwich. What a winter delight!! Cost is just \$5 to go to Bonnie at 1301 Oak Hill Road by January 9th. This deadline is firm in order to plan for the luncheon.

Ladies Club attempts to offer as many great experiences as possible at a very minimal price. Starting in February however, in lieu of asking volunteers to bring refreshments, Ladies Club is planning to begin providing them BUT will elevate the customary \$1 fee to \$2. It's still a wonderful bargain!! See you on the 12th!

Ships Ahoy!!!

While most of us were dealing with the domestic challenges of the 60's, one of our LBS neighbors was busily defending international challenges in and around the troubled South China Sea waters during the Vietnam War. Serving in the US Navy, first as Commanding Officer of the USS Holidaysburg, then Chief Engineer on the destroyer USS Savage, David Raclaw has agreed to share his interesting experiences.

He possesses vast familiarity of and reflections on this era. His experiences, his perspective on the Vietnam War, and his accompanying anecdotal pieces, should make for a fascinating presentation on **Monday, March 9th, at the LBS Ladies Club, 10:30am ULL. And gentlemen, feel included!!** Your presence will be welcomed, and even expected, due to the captivating nature of this special program.

We are honored to welcome Dave and look forward to an intriguing morning. All are welcome and, of course, the coffee pot will be perking and the refreshments begging to be eaten.

The Historic Christmas Tree Ship:
A True Story of Faith, Hope, and Love

During the 19th century, Chicago was one of the busiest shipping ports in the world. **Christmas trees** were one of the commodities transported here. Each year, sailing ships loaded evergreens in northern Wisconsin or Michigan's Upper Peninsula, and set sail for Chicago with trees for Christmas. But following a raging storm that swept Lake Michigan in 1912, the **Rouse Simmons** never arrived. What happened???

This fascinating story will be told by author Rochelle Pennington. Her multi-visual presentation will focus on the little-known facts surrounding this event including the vessel's demise, ghost ship sightings of the phantom schooner, and mysterious omens that were believed to have cursed the ship on its final voyage.

LBS Ladies Club will sponsor her presentation on **November 9 at 10:30 in the ULL.** ALL ARE WELCOME!! Just honor the \$2 entry, enjoy the refreshments, and be fascinated by this historic shipwreck story.
