**T**he Nominating Committee will be accepting recommendations as they select officer nominees to be presented to the congregation for election in late October, 2004. Those elected will take office in January, 2005 and serve through December, 2007. The following officers are being sought:

**7 Elder Nominees:** Elders serve on the Session, which is the governing board of the congregation. The Session has oversight of all church programs, budgeting, and use of the church building. Elders chair the church committees. Elders are ordained to this office.

**6 Deacon Nominees:** The Board of Deacons, working under the direction of the Session, carries out ministries of pastoral care and hospitality. Deacons are ordained to this office.

**4 Trustee Nominees:** The Board of Trustees, under the direction of the Session, oversees the maintenance of the church buildings and property. Trustees manage the church finances. Trustees are installed to this office.

In addition, Five Members-at-Large from the congregation will be elected to serve a one year term on the Nominating Committee from January through December, 2005. The Nominating Committee meets to consider new officers, provides initial training for new incoming officers each November, and maintains the security and data integrity for the church's Skills Database.

Each nominee must be regular in Worship attendance, faithfully pledge to the annual operating budget, be able to make sound decisions for the welfare of the entire congregation, and be the only person in his/her family presently serving as a church officer. Contact Tom Hilgendorf, for more information. Recommendations must be submitted no later than August 31, 2004.

**The Presbyterian Church of  
Barrington  
Vision Statement**

*Created by God as a welcoming, caring family of faith, we...*

*...worship God joyfully, guided and challenged by Scripture and the proclamation of Christ's gospel;*

*...serve those in need, inspiring and equipping one another to respond to God's call;*

*...support each individual's journey of faith through lifelong learning, Christian fellowship and prayer; and*

*...share this spiritual home with all, drawing others to faith in Jesus Christ and reflecting the everlasting love of God.*

**Thanks For Your Help:** Thanks to Jack and Jinny Train, Mary and Jack Kerkhof and Sandi Crewe for assembling the June Carillon and to Jack and Jinnie Train and Sandi Crewe for folding the Sunday Bulletins so faithfully!

A thank you and fond farewell to Jack and Mary Kerkhof as they move to Tennessee.

Dear Friends in Christ,

We worship God mostly *inside* a building, while most of the events of God's work are done *outside*. After being blessed inside the sanctuary or by the biblical word, we end up being booted back out into the world. Barbara Brown Taylor puts into words what has rambled around the recesses of my mind. Listen to her words:

*I love the Bible. I have spent more than half my life reading it, studying it, teaching and preaching it. While I do not find every word of it as inspiring (or inspired) as some of my fellow Christian do, I encounter God in it reliably enough to commit myself on a daily basis to practicing the core teachings of both testaments. When I do this, however, a peculiar thing happens. As I practice what I learn in the Bible, the Bible turns its back on me. Like a parent intent on my getting my "own place," the Bible won't let me set up houses in its pages. It gives me a kiss and boots me into the world, promising me that I have everything I need to find God not only on the page but also in the flesh.*

*Whether I am reading the Hebrew or Christian Bible, the written word keeps evicting me, to go embody the Word by living in peace and justice with my neighbors on this earth, whatever amount of confrontation, struggle, recognition, and surrender that may involve*

Too often we seek to follow the book, and be in the business of bookkeeping as it relates to the lives of others. Jesus will have none of this. *If Jesus' own example is to be trusted, then following the Word of God may not always mean doing what is in the book. Instead, it may mean deviating from what is in the book in order to risk bringing the Word to life and then facing the dreadful consequences of loving the wrong people even after you have been warned time and again to stop.*

Sanctuaries and Bibles are not meant for permanent residence, but as a place to visit, and be visited by the holy, before being booted into the world where real action for God is to take place.

Pax,

Curt Baxter

## Church Administration

### Session

Notes from the May 24, 2004 meeting:

**Finance:** Bob Kosobud, Peter Brown, Jack Swenson and Mark Garrette from the Session will work with the Trustees to help formulate the 2005 budget.

**August Meeting:** There will be a joint meeting of Session and Deacons on August 23.

**Christian Education:** Melissa Armstrong-Hansche gave a presentation on the proposed plan and calendar for 2004-2005. The proposal focused on the current program and what would change for the upcoming year. One of the main focuses is to support life-long learning by offering children/youth and their parents joint educational opportunities to support Christian education in the home.

**Communications:** The Communications Committee will meet with various committees to discuss the proper format for communications as well as the various types of communications that the committees use. Jack Swenson discussed what the Communications Committee was doing to mitigate viruses that would affect the PCB servers and e-mails that are sent to congregants. The youth website will be hosted on the communications server and S. Unangst is helping with that.

**Fellowship Committee:** The decided to support the Barrington High School Relay for Life.

**Mission:** Jim Wilson reported that the golf outing was very successful netting over \$5,000. Jim also presented more information on Bread for the World's – 2004 Offering of Letters. This organization addresses the problems of diseases and hunger in Africa. Jim made a motion that the 13 June service be our Offering of Letters Day allowing parishioners to pen their request to their Senator and Representative to keep their commitment to this organization that was made by Congress in September 2003.

**Nominating:** Two Trustees have resigned: John Mann and Rick Rogers. The committee will meet to begin a search for new Trustees

### Trustees

A note from Kris Howard Jensen, President, Board of Trustees.

The Board of Trustees is currently coordinating development of the budget for fiscal 2005, which begins January 1, so that we will have an accurate target to shoot for in the fall Stewardship campaign. For fiscal 2004, we remain on budget despite major investments in computer software and a new electrical circuit. The software, plus training which our staff has received, will make our management of financial, membership and other church-related data much more efficient.

There is interior painting which needs to be done in various places around the church. The trustees are planning a "paint-a-thon." If you would like to volunteer, please call Bonnie Kalaway in the church office.

The recent downpours have resulted in some water leakage at several sites in the building, as you may have noticed. These problems will be corrected. It's just like our personal homes....there is always something needing attention in our church home. That's why we must have a maintenance reserve fund.

Thank you for keeping your pledges up to date during the summer, so that we also don't have a cash flow problem!

### Morning Bible Study

Our next Bible Study will be October 6. Watch for your BPW booklet in August for dates and study guide information.

### Kitchen

Our kitchen is a wonderful facility, used by all organizations in our church. BPW has undertaken the reorganization of this very busy room. As voted on and passed by BPW, we will be paying to have the kitchen professionally cleaned twice a year.

We are in the process of formulating guidelines for use of the kitchen and are sorting and redoing the cupboards. In the future, these guidelines will be posted in the kitchen. There will be specific rules about food storage, labeling and dating; but in general the protocol is simple.

**\*If you get something out, put it back where you got it.**

**\*If you dirty something, please wash it and return it to its rightful place.**

**\* Linens (including towels) used by any individual or group, should be taken home, laundered and returned.**

Out of courtesy, everyone using the kitchen should abide by these rules. While BPW will oversee the general upkeep of the kitchen, it is **everyone's** responsibility to keep it clean and orderly.

Thank you in advance for your help.

Kitchen Committee, BPW

## Stephen Ministry

### **Do You Still Have Questions about Becoming a Stephen Minister?**

Taking the Stephen Ministry Training, and serving as a Stephen Minister does take a great deal of thought. In the April Carillon Article, frequently asked questions about Stephen Ministry were answered. The questions and answers dealt with committing to this confidential, one on one, Christ centered ministry. If you are still pondering joining the training class that begins September 7, 2004, the following answers may help you make the right decision for you and for Stephen Ministry.

### **How much time will it really involve?**

After the initial 50 hours of training, which will be held on Tuesday evenings from 7:00 p.m. until 9:30 p.m. at our church, you will meet in the evenings for Continuing Education and Supervision on the second and fourth Thursday from 7:00 p.m. until 9:30 p.m. Once you are matched with a Care Receiver, you will have weekly one hour meetings at a time you mutually agree upon. There is some homework required for Training each week (about a half hour for each class), and there is thoughtful, prayerful preparation needed before you visit with your Care Receiver.

### **Will my phone be ringing constantly?**

No. You will care for one person at a time. Men always work with men, and women with women.

### **Will our pastors still help and counsel people?**

Most definitely! Stephen Ministers compliment the pastors' ministry, providing additional care to our church family.

### **What if I get in over my head with people who need more care than I can provide?**

First of all, no one will be knowingly be assigned to people who might be in those situations. The Stephen Ministry training also teaches you to know exactly when and how to help your Care Receiver to get professional help when necessary. The Supervision Group, the Stephen Leaders and the pastors are also there to help you make such decisions.

### **Who are the Care Receivers?**

They will be members and friends of our congregation who are experiencing difficult times. They want a Christian friend who will use his or her skills to help bear burdens without judgment, who will offer encouragement.

### **Is there really a need for this ministry at our church?**

Yes. Many have already benefited from this care. We are recruiting more Stephen Ministers so that our needs don't exceed the number of Stephen Ministers trained and available.

### **I do not know the Bible very well. Is that a problem?**

Not at all. Training will give you some wonderful spiritual tools, and introduce you to some wonderful resources.

### **Are other people as scared as I seem to be about this undertaking?**

Probably so! However, the training and the support you receive from your fellow Stephen Ministers will give you confidence. Your gifts and talents are needed for those in our church in need of a problem-bearer. Prayerfully consider this wondrous ministry for you. Please call **Nancy Dolan**, if you would like a Stephen Ministry application or if you would like more information.

The dates and topics are: July 27, Planning Ahead; August 24, Care for the Caregiver and Community Resources. For more information, call Anne Garrette.

## Stewardship

### Why Are You Here?

A seemingly simple question, yet very complex answers may come to mind. “Why are you reading the Carillon”? “Why do you have the faith that you do”? and “Why are you a member of the Presbyterian Church of Barrington”?

Of course, the answer is different for each of us.

Personally, it is important to me that my children are raised in a caring, nurturing community of faith. I like the inspirational and often humbling sermons that our pastors provide. Our church is fantastic for many reasons and my family and I are proud to be a part of it.

So why is our church so great? Is it because we have a beautiful parcel of land in Barrington Hills? Is it because we have a beautiful traditional style building? Of course not. The Presbyterian Church of Barrington is so great because of its people.

A church without the involvement and contributions of its congregation is just another building. The Presbyterian Church of Barrington is a strong, vital, wonderful community of faith because its congregation is strong, vital and wonderful.

I am touched and inspired very deeply by our church and am proud to be a member of such a dynamic congregation that gives so much to others, to each other and to the community.

As the Fall Stewardship campaign approaches, we would like you to think about what the church means to you, how important it is and how it touches your life. The next time you are in church, we would like you to ask yourself, ‘Why Am I Here?’ Then ask yourself how you can contribute to the continued vitality of your community of faith with your time, talents and treasures.

Bob Skopek, Chairman, Stewardship Committee

### Hymn Sing Sunday

August 8 is the date for the annual Hymn Sing service. If you have a favorite hymn from your childhood, or one your family has always loved to sing, give **Rev. Dan Spike** or **Ms. Joy Hague, 847-381-0975**, the name of the hymn (and the music if you have it).

Sheet music, a copy of the hymn from a hymnal, a CD or tape of the music would be helpful, especially if the hymn is not a familiar one. A selection of hymns will be included in the service.

### Memorial Garden Spring Planting

On Saturday May 22, Boy Scouts from Troop 10 and the Church's own Troop 35 gathered to plant and mulch our Memorial Garden. The project was conceived, planned and lead by Jon Swenson who used the work to satisfy the requirement for his Eagle Scout community service project. The rest of the scouts also used the work for their service projects to advance toward their next rank. In addition to the Boy Scouts, our church members who volunteered their time to help included Bryce and Drew Traxler; Debbie Schaefer; Jessica, Jason, Janet, and Jack Swenson and Reverend Curtis Baxter. The group fought inclement weather and worked tirelessly for over 6 hours to add 350 new plants to the Garden. As a result of their hard work, the Garden not only looks fantastic but they saved the Church the cost of professional landscape labor. The Memorial Garden Committee would like to thank all those who worked so hard to make this project such a success and special thanks to Jon Swenson. I would also like to thank our members Carol Nelson, Paige and Steve Unangst, Vern Soukup, Steve Fish, Dan Paxton, and Mark Garrette for all their hard work over the last year to help improve the Memorial Garden. The Garden is open to everyone, so please stop by to enjoy all the new flowers. As always, no general congregational funds were used to finance the Memorial Garden. The Garden has always been, and will always be, funded by donations to the Memorial Garden Fund. As a result, your continued donations to enhance and maintain the Garden are greatly appreciated.

Andy Harden, Trustee and Memorial Garden Chairman
