THE BARRINGTON REVIEW.

VOL. 19. NO. 16.

BARRINGTON, ILLINOIS, FRIDAY, APRIL 22, 1904

\$1.50 A YEAR IN ADVANCE

The Village Election Attracts a Fair

Vote-No License Ticket Beaten. G. H. Morrison Elected Police

Magistrate by 16 Majority, iting F. E. Lines and H. A. Harr

Regular Caucus Nominees. ge election has passed and

The titues devides has possed and while it was a quiet daff there are number of wounded who reliase to be construct. The consense held for construct of the consense held for property of the consense held for the consense held for the consense which was not consense to the consense which was not consense to the consense were statisfied that every. The out asknow people had factored on a keeply increased vade for their theck, and, of every were dispersed to the consense which was not consense to the consense which was not to be consensed with one consense which was not to the consense which was not to be consensed with the consense which was not to be consensed with the consense which was not consensed with the consense when the same was not consensed with the consense which was not consensed to the consense which was not consense which lettons now they know

better.

The defeat of the "No License" ticket was a foregone conclusion. It was again demonstrated very foreibly that the people of this village favor the licensed salson. During the year past the forces opposed to the liquor traffic had prepared for the exampling and led to expect additions to their strength. The result shows that a The defeat of Fred E. Lines, candi

for police magistrate on the Newpiew tekent, by C. H. Marrison, the dependent candidate, was a surprise to Mr. Lines and those who had pre-sented tim as a causidate. The vote given Mr. Morrison certainly shows that those with sought, by present abuse, to injure his classors had not measured his popularity with the voters. He us receded in political 31 cross against 50 for Line, Teophy-ton and the control of the control of the Lines, and the control of the control of the Lines, and the control of the control of the Lines and the control of the control of the Lines and the control of the control of the Lines and the control of the control of the Lines and the control of the control of the Lines and the control of the control of the Lines and the control of the control of the control of the Lines and the control of the control of the control of the lines and the control of the control of the control of the lines and the control of the control of the control of the lines and the control of the control of the control of the lines and the control of the control of the control of the control of the lines and the control of the control of the control of the control of the lines and the control of the control of the control of the control of the lines and the control of the lines and the control of the control

School Election.

The annual meeting of School District No. 4, was held last Saturday evening. There was hat too tick to the field and nothing to attract a large vote, only 2 citizens market-lay interest enough in educational matters to go to the polls. John C. Plagge was reelected president of the board and August Boolumer and State State

uestion of additional sch It was the decided opinion room. It was the decided opinion of times present that the village was very much in need of a new school building and a resolution was voted to that effect.

"I hereby declare that I will not get married during the term for which I am hired to teach this school. Failing to keep this provision, I hereby agree to forfeit the sum of \$50."

IN THE SAME OLD WAY s find it advisable to inst loss, for it is a ense to the school di teacher.

Alganquin Establishes Fire Limits. The rillings of Algonquin has estab-lished bounds of a fire limit which covers the business district as follows: Bounded out the east by Fox river, on the south by the right-of-way of the Chicago & Northwestern Railway company, on the west by Jeferson and Mound streets, and on the north Estwards street.

Edwards street. "
The ordinance provides that no building shall be constructed in this district without first o staining a per mit from the president and board o

of the con Miners Return to Work.
The drivers in the coal mines of Belleville and viciolity have returned to work at the scale agreed upon by the joint conferences of the Illinois operators and missers representatives in Springfield April 12, which was 12 dis a day. The men had been receiving the scale of 1903, 12-56 a day, and in some instances as high as 51 a and in some instances as high as 15 and 45, and demanded the same coale. asy, are seminated the same scale.

Fisherman Rescues Boy.
John Palies, a fisherman, rescued
a 16 year sid boy, Louis Thomas, who
tumbled into the river from the Ashlock fish dock at Alton. The boy supflaying on the dock and was belping
to string some fish, when he slipped
fine dock where. Fullen glinged in
add causelt the levy as he was about
to go down the faird time.

Girl Thief in Reformatory,
Sherid William Baper, visited at the
lin swared to Lilliam Schule, to the
provide girl, who was recently encompared to the provide girl, who was recently enor Carrigle, as a domestic. She was are
preted of baving sinies a waten value
and at 1800. The sheriff was too late
the state reformatory for theits at
Centralia. She attempted suited
awardioving broken glass, but was not
encounted. The Case County Dectors.
The Case County Medical associathe Case County Medical associaton held a meeting at Virticalia and
elected the following officers: Presidest, Dr. M. J. Palmer. Beardstown;
Vice president, Dr. L. M. Lloker, Ashland, secretary, Dr. J. A. McGue, Virginia, treasurer, Dr. William Franken, Chandlerville.

Win Orastorical Prizes.

Charles Donelan won the first prizes and Miss Barbara: Crow the second prize at the annual Lawrence orstorical content at the Springerial oracle oracle and a gold and a gold medal, and the second prize was 19 in gold. Donelan by wisning this content will represent the Springerial sign become the Corn. Best oracle and the content of the con New Pleasure Resort.

The central illinois traction company has leased a tract of land on Riley creek, near Lora, a point half way between Mattoon and Charleston, and it is the purpose of the company to transform the land into a pleasure presort.

Agree to Arbitrate.
The miners and operators of the
Springfield subdistrict having failed
after a week's conference to reach a
arrecument have submitted the difficulties to a board of arbitration consist
ing of two operators and two miners.
The miners want a uniform top day
scale throughout the field including
Lincoln. Southern Ministers.
The annual convention of the Southern Ministerial association of the Christian church will be held at Centralia May 10, 11 and 12. A number of the leading workers in the state will be present. Western District Doctors.

The western district medical society will hold a meeting in Jacksonville on May 6. The district comprises the counties of Morgan. Scott, Greens, Jersey, Calboun, Madison and Maconactic.

Tailors' Union Agrees on Fins.
The Alton Tailors' Union has agreed to impose a fine of from 3 to 123 upon members who continue to claim to the second of the second of the second of the merchant tailors will be allowed on saits costing less than \$30, and more of the merchant tailors will be allowed to send work out of town during a reab.

Yates Names Woman Delegate.
Miss Clara Truesdail of Cartyle has been appointed by Gov Yates as a delegate to the national conference of charities and correction to be held at Atlanta, Ga.

Quincy School Tax.

It has been sacertained that a levy
of T4 per ceet on the assessed valuation of property in Quincy will be
sufficient for maintaining its public
achools. Find Coins Under Platform.
Boys and Italian laborers who were tearing up the old wooden platform at union depot at Alton found many coins which had accumulated between the cracks. Buburban Home Burns.
The suburban residence of John Gretzmeyer, near Centralis, was destroyed by fire. Only a part of the household effects were saved.

Evangelistic Meetings.
Rev. J. W. Larimore is conducting a series of evange/fixtic meetings at the Jerseyville courthouse for the Christian congregation.

Hamlin Buys a Farm.
Attorney General Hamlin has purchased another farm near Windsor,
making his total land boldings there
325 acres.

College Cinder Track.
A balf-mile cinder track for ath-letic purposes is being made on the campus of Illinois college at Jack-sonville.

Woman is Burned.

While Mrs. Charles Kaltenbach of Quincy aged 37 years, was making fire in a gasoline stove the famous spread to bur apron, causing a blaze in all her diothing. She was soverely burned before assistance reached her.

The mothers' meeting, Frinty, was well attended considering the weather.
The meeting was in charge of Mr.
Banta. His subject was "Common School Education." Much of the discussion was given to the developing of the idea that it is far more important.

what we make the children love and d

the last is left in the more important, the last is the last term leave. What constitutes an ideal primary tendere was not from "Children." What constitutes an ideal primary tendere was not from "Children." The last constitution of last constituti

tendent Farr will have the meeting charge. He will talk on "Primars ducation" It is hoped that a large unber iwill be present. After an illness of four weeks Miss ex has again taken charge of her
