BRAVERY OF RUSSIANS

COURSET of Cour's Stabilities.
Here is a story of Russian bravery,
written by William Theory in the April
World's Work:
There is a monument in Turkestan to
several Russian soddlers captured by
the Turconnans in 1879. They were
artillerymen, and their guns were captiest with them. So the Turconnans

Young Plants

Every farmer knows that ome plants grow better than thers. Soil may be the same and seed may seem the same but some plants are weak and

others strong.

And that's the way with children. They are like young plants. Same food, same home. same care but some grow big

same care but some grow big and strong while others stay small and weak. Scott's Emulsion offers an easy way out of the difficulty. Child weakness often means starvation, not because of lack of food, but because the food does not feed.

Scott's Emulsion really feeds and gives the child growing

whatever the cause of weak-ness and failure to grow— Scott's Emulsion seems to find it and set the matter right. Send for free sample. Scott & Bowne, Chemista, 400 Pearl St., New York, 500, and \$1 00; all druggista.
