one find a stendy user of either whisty, coffee or tobaco free from disease
of some kind.

Certainly powerful elements in their
effect on the human race.

It is a matter of daily history, testified to by literally millions of people,
and the start, but always failes as hell
itself in the send. Tonce they pet firm
bold enough to show their strength,
they insist upon governing and drive
the victim steadily towards ill health
is some form; if permitted to continue
to raise, they will not let up until physcell and mental that sell and "mader
the spell" is correct! of any one of
these drugs frequently assures himself
and his friends, "Why, I can leave of
any time I want to. I did quit for a
week just to show I could." It is a
more mark of the slave when one grat
to that stage. He wigned through
a sure mark of the slave when one grat
to that stage. He wigned through
the slavery all over again.

The slave (Coffee slave as well as
Tobacco and Whisky) daily reviews his
condition, sees perfectly plain the
steady encroachments of disease, how
the nerves get weaker day by day and
demand the drug that seems to smile
the control of the slave when condition,
leaves to the disease condition
plainer to view than ever and growing worse. Many times the Coffee slave
realizes that he is between two fires.

He feels bad if he leaves off and a
little worse if he drinks and allows

agat, with disaster asses sure it use habit wiss. The bess hundreds of thou-sands of people driven to their graves through disease brought on by coffee drinking alone, and it is quite certain that more human misery is caused by coffee and tobacco than by whishy, for the two first are more widely used, and more hidden and traidious in the effect on merce, heart and other vital orgains, and are than assuspected, and done, and the dangerous work is

organs, and are thus unsuspected until much of the dangerous work is
dose.

When the dangerous work is
dose, when the dangerous work is
to the real uses the Creator has for
these things? Take a look at the
westion from this point of view.

There is a law of Nature and
Nature's God that things alonyly evolve
from lower planes to higher, a sturdy,
steady and dignified advance toward
more perfect things in both the Physistead of a violutionary development
and and fightirals world. The ponderous tread of evolutionary development
is fixed by or the contract of the constread of evolutionary development
is fixed by or the contract of the contil the contract of the contract of the
drawner. Hillion's rules phenomenal
crops of corn for two or three years.
The continued to do so every year
her farmers would advance in wealth
are byond those of other sections or
countries. So Nature interposes a bar
every three of four years and brings

7 three or four years and brin "bad year." ere we see the leveling influen

Here we see the leveling influence at work.

A man is properous in his business for a number of years and grows rich. Then Nature sets the Terviling influence of the thing the terviling influence of all time. But Dame Nature sets her army of Perelears' at work—Insury, overeating and drinking, Hoentiounness, waste and extrawagance, Indulgences of all time.

single—ther comes unit is the law or form, Burn.

The law of the unit is the law or the man. Han goes through the same process. Weakness (in childhood), radiusl growth of strength, energy, thrift, problet, prosperity, wealth, common or to the common of t

nme and fame by drugging with whis-ty, fobscor or codes. Like is too short. It is hard enough to win the stap, so a man is certainly a fool trad-er when he trades strength, health, money and the good things that come with power for the half-saleep cond-tion of the 'dragen,' with the certain-y of sickness and disease shead." It is not not to the stap of the certain-or the dragen, which certain or ceicke for himself. He can be a lead-er and semi-god if he will, or he can no along through life a dragged clows,

water."

Certain it is that: while the Great Father of us all does not seem to mind." It some of his children are foolish and stupid, he seems to select others (perhaps those be intends for some special work) and allows them to be threshed and ceatigated most to be threshed and ceatigated most in the control of the cont

Generous Deed of Elix.
Through the generosity of the Bridgeport Lodge of Elix, Peter Markon of Wallingford, Conn., will profit by the unfortunate accident which he met with while witnessing the Elix with the banner raising. A runnawy horse ran him down and dislocated his collar bone.

nim cown and enfocted as a consistency of the construction of the course of the cooking for work, and when the Elki heard that he had a wife and family dependent upon him for support they sent a committee out to investigate.

sent a committee out to investigate. Markoon, as a result, was sent back to Wallingford to-day, after the Bridgerot locke of Elika had pids his medical expenses, secured his ticket, given aim money for incidential expenses, and told him to calculate upon \$\$^3 per week for the next four weeks.

The Elika went further. They notified the Wallingford lodge to take care of Markoon and help him to get employment. Markoon is not a member of the order, never was, and the Eliza were not in any way lishle for the accident—Boston Globa.

The Eternal Faminine.

He-Will you—O, will you be mine forever!

She-Mercy, no! I just accepted Cholly Saphedde last night.

He-What! Has all your encouragement to me meant nothing of affection!
