Boy of 20 Was Infatuated With the Wife of Detroit Club Steward.

GONE TO BID HIM FAREWELL

air Are Found Sitting in Buggy With Bullet Holes in Temples, the Wom-an Holding a Bible in Her Clasped

Detroit, Mich, dispatch: The dead bodies of a man and a women, the former young and unusually handsome the latter wife of a well-known sporting man, were discovered by police men in a light top bugg, for which leastly down the principal street of Wyandotte, as shurth of this city, in her right hand the woman chaped an open Bible.

Bullet wounds in the head had ended the life of both, and the authorities any it is plain cause of murder and suicide. It, is presumed that the young man was angered because the woman had refused to continue the re-woman had refused to continue the re-tered into a compact of self-destruction.

Husband Deliver Uutimatum.

lations existing between them, and believe it possible that they had entered into a compact of self-destruction.

The control of the control of the self-destruction and policyer tubinstance. The self-destruction is the self-destruction of the seward of the Detroit Wheelmen, which was the self-destruction of the seward of the Detroit Wheelmen, and Henry Hillebrand, a boy of 20. It is said that the relationship of the two had been long known to the woman's husband, and that he had said that it must cease or she must the provisions of the ultimatum, it is said, that she arranged a farewell meeting with Hillebrand, acquainting him with the condition of affairs and declaring that she would see him not more. To fortify herself in the right-brought with her the Bible.

Nothing is definitely known. Noone heard the shots, and when two policements of the self-destruction of the buggy the bodies were quite cold.

Black Hele in Each Tenple.

Both were sitting apright. There were stopped the horse and looked into the buggy the bodies were quite cold.

Letters were found in which the wife confessed to her husband a love for the boy. One was found on Hillebrand, also with a hole in his temple. Only two shots were fred.

Letters were found in which the wife confessed to her husband a love for the boy. One was found on Hillebrand, which had been married but eighteen months. Miller declares it to wife the months. Miller declares it to clope with Hillebrand, which caused him to kill her and commit suicide.

Deaths on the Rail.

Deaths on the Rail.

Deaths on the Rail.

The comparative rate of deaths and accidents on British and American railways is startling. On British rail-ways only one passenger in something less than 200,000,000 is killed, while less than 200,000,000 is killed, while in less than 100,000 passengers is in-jured on American railways to one in less than 1,000,000 partials. An eminent railroad president explains this by saying that 'under certain conditions the human brain refuses to work.'—Boaton dibbs.
