**PROVE YOUR CLAIM**  
Dr. Williams' Pink Pills a Specific For Anemia and a Safe Family Medicine.

When the body becomes run down, either as a result of overwork, worry or a severe illness, the circulation of the blood would show it to be weak and watery. This condition is called anemic, which is the medical term for "bloodless." The common symptoms are paleness of the lips, gums and cheeks, shortness of breath and palpitation of the heart after the slightest exertion, dull eyes and loss of appetite.

Mr. Louis L. Clark, a painter, of 19 Lincoln Place, Plainfield, N. J., says: "Last May I was obliged to undergo an operation for hemorrhoids and while the operation in itself was successful, I did not recover my strength and health. I was confined to my bed for over a month and was under the doctor's care. When I was able to get up my legs were so weak and unsteady that I could only walk with a cane with difficulty.

"I was getting no better and could not think of going back to work. I was discouraged, when a friend told me that Dr. Williams' Pink Pills had cured her and advised me to try them. I began taking them about the middle of June and felt so much better that I kept on and was cured. Dr. Williams' Pink Pills have cured rheumatism, chlorosis, and effects of the grip and fevers, and, as the health of the nerves depends upon the purity of the blood, they are invaluable in neuritis, nervous debility, sleeplessness, dizziness and even locomotor ataxia and paralysis.

Dr. Williams' Pink Pills are sold by all druggists or sent by mail on receipt of price, 50 cents per box, six boxes \$2.50, by Dr. Williams Medicine Co., Schenectady, N. Y.

**One of the Important Duties of Physicians and the Well-Informed of the World**

is, to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

**TRUTH AND QUALITY**

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of the enjoyment of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.
