Wonderful Eczema Cure.
 "Our little boy had eczema for five years," writes N. A. Adams, Henrietta, Pa. "Two of our home doctors said the case was hopeless, his lungs being affected. We then employed other doctors but no benefit resulted. By chance we read of Electric Bitters, bought a bottle and soon noticed improvement. We continued this medicine until several bottles were used, when our boy was completely cured. Best of all blood medicines and body building health tonics. Guaranteed at Barrington Pharmacy, 52c.

Avoid Colds.
 Spring brings cold rains; rains cause wet feet; wet feet encourage colds; colds produce doctors' bills. Avoid rains, wet feet, colds and doctors' bills by ordering a telephone. It will save its cost. CHICAGO TELEPHONE COMPANY.
 Good Pavements Valuable.
 Of course it costs money to macadamize a pavement, but there is no village or town which should not invest the expense of putting at least its main street in the best order. Such an improvement adds to the value of every piece of real estate within the limits.

DR. KING'S NEW DISCOVERY FOR COUGHS AND COLDS CURES ALL THROAT AND LUNG DISEASES
SAVED HER SON'S LIFE
 My son Rex was taken down a year ago with lung trouble. He doctored some months without improvement. Then I began giving Dr. King's New Discovery, and I soon noticed a change for the better. I kept this treatment up for a few weeks and now my son is perfectly well and works every day.

The BARRINGTON PHARMACY.

My Best Friend.
 Alexander Benton, who lives on Rural Route 1, Fort Edward, N. Y., says: "Dr. King's New Discovery is my best earthly friend. It cured me of asthma six years ago. It has also performed a wonderful cure of incipient consumption for my son's wife. The first bottle ended the terrible cough, and this accomplished, the other symptoms left one, until she was perfectly well. Dr. King's New Discovery's power over coughs and colds is simply marvelous." No other remedy has ever equalled it. Fully guaranteed by the Barrington Pharmacy, 50c and \$1.00. Trial bottle free.

Human Ant Esters.
 There is a Chinaman in New York who has a sign over his door that reads, "Strange Food Exotics." What to eat says that he sells a hundred of the funny little gray biscuits that he keeps with his other odd stock every month at \$2.50 each. The biscuits are made from the dried and compressed bodies of African white ants and there are people who can eat them without saying "ugh."

A Strange Tail.
 Because of the effect from the tail of the comet, prognosticators assert that a hot summer is in prospect. Nothing so pleasing as a telephone in hot weather. You remain in your home or office and talk with friends without exertion. We have plans for any purse. CHICAGO TELEPHONE COMPANY.

Dancing.
 Learn to dance, not so much for the sake of dancing as for coming into a room well presented. Be entirely and gracefully. Women, when you go to endeavor to please, cannot forgive a vulgar and awkward air and gesture.—Chesterfield.

A Narrow Escape.
 G. W. Cloyd, a merchant of Plank Mo., had a narrow escape four years ago, when he ran a jimmy bar into his thumb. He says: "The doctor wanted to amputate it but I would not consent. I bought a box of Bucklen's Arnica Salve and that cured the dangerous wound." 25c at Barrington Pharmacy.

More Than a Regiment.
 Sixteen hundred residents in cities and towns near Chicago ordered telephones during march. Does this fact appeal to you? Do you need more proof of the value of the service? Why not order NOW? CHICAGO TELEPHONE COMPANY.

Don't Pay Alimony.
 There will be no occasion for it if you keep your bowels regular with Dr. King's New Life Pills. Their action is so gentle that the appendix never has cause to make the least complaint. Guaranteed by Barrington Pharmacy, 52c. Try them.
