MRS. BROCKWAY DEAD

An Old Resident, of Barrington.

Passed Away Tuesday

Afternoon.

The call of Death took a beloved mother from her home this week and, although her children are grown and established in homes of their own, they are deeply afflicted at the loss of a mother who spent many years in kind and self-sacrificing acts for them and others.

Mrs. M. A. Brockway, aged eighty-five years, died Tuesday afternoon at one o'clock, March 3rd, of general debility augmented by an attack of jaundice. During the last month she had only been able to dress twice, and at times was quite a sufferer, although the final hours were free from pain and consciousness retained. Her life had been a long one; she had been so filled with cheerful kindness and sympathy for others that she seldom could afford herself. The last thirty-seven years were passed in loving care of her husband, an invalid and cripple, who survives her and is in his 80th year.

Mrs. Brockway was the mother of five children, four sons and a daughter, who are living, excepting James Brockway who died in Oklahoma four years ago. Henry K. Brockway is the postmaster here, Lewis O. Brockway of Waukegan is Circuit Clerk of Lake county, Miss Robbie Brockway resides here at her father's home and John Brockway lives in Willow Springs, Illinois. There also living seven grand children and three great grandchildren.

Sarah Dougherty Brockway was born in Clearfield, Pennsylvania, February 7, 1823. She was one of nine children and was born of Irish parentage. A sister and brother are still living and are Mrs. Kate Gaulin and Thomas Dougherty of Clearfield. Her girlhood was uneventful and her education was received in the public schools. In January, 1844, when twenty-one years old, she married M. A. Brockway in Chester, Pennsylvania, and in 1849, after the birth of two sons, they came west, making the journey across country in a wagon, through Ohio and Indiana, taking twenty-one days.

They settled one mile east of Lake Zurich on the land which is now the Henry Berghorn farm, and there they passed about thirty-nine years; moving to Barrington about twenty-one years ago; first occupying the present Delos Church house on Cook street and then purchasing the present home.

The funeral was held Thursday afternoon at three o'clock at the home and the Rev. O. P. Mattison conducted the services. The burial was in Evergreen cemetery.

Alhgrim-Beahler.

A marriage service was quietly performed Wednesday evening at seven o'clock at the St. Paul's church parsonage by Rev. G. H. Stanger who united Miss Emma Beahler of the Panning farm to John Alhgrim of North Hawley street. The couple were accompanied and at once went to their new home in the De Vol house. Miss Beahler is the daughter of Mrs. Anna Beahler and is a splendid type of worthy young womanhood who is widely known, having been a popular seamstress. Mr. Alhgrim is the son of William Alhgrim and has a good record for excellent habits and industry. He is employed by the Northwestern railway in Chicago.

Price of Milk Reduced.

The Borden Condensed Milk Company has announced a decrease in the price of milk to 7 cents a quart. The reduction of 1 cent brings milk to the same figure that ruled last fall before the general advance, and, following the lead of the Borden people, other dealers throughout the city are preparing for a similar reduction.

DEATH OF MRS. PRUSIA.

Wife of George O. Prusia Died at Her Home in Lake Zurich

Last Friday.

Lillian Prusia departed this life at eight o'clock Friday morning, February 28th, aged forty years, nine months, after a serious illness of four and one half months of continual suffering.

Although the best medical aid and loving friends and neighbors did all in their power to bring her back to health, she was called peacefully to rest.

Lillian Whitney was born May 7th, 1867, at Lake Zurich, Illinois. September 20, 1886, she was united in marriage to George O. Prusia, emigrating to Nebraska where she lived two years when community engagements brought them back to Chicago where she resided a number of years, then finally settling at Lake Zurich, her old home.

Seven children blessed this union of which six are living, George W., Edna, Mabel, Cora, Clara and Joseph. She accepted Christ and was baptized in the Baptist faith in 1885; but with impaired health was not as active in church work as was her wish, devoting her Christian work to her family and with those whom it was her opportunity to meet; as a neighbor she was always ready to extend a helping hand in sickness and adversity, and the wants of her friends and especially those in trouble and need.

She was a great lover of home a most devoted wife and an affectionate mother; her very thoughts were for their comfort, happiness and welfare. Although a sufferer for many years from rheumatism and other complications she was always cheerful, patient and kind.

She leaves to mourn her loss a husband and six children, a father, mother and three sisters.

Interment was at Evergreen cemetery, Barrington, Illinois, Sunday, March 1st.

Good Advice.

Rev. White, pastor of Grace Methodist church, Sunday, addressed last Sunday's of his audience of 700 working men:

"How many men here have mothers living?"

Seven hundred hands were raised.

"Now, how many of you make it a practice to write to mother every week?" asked Dr. White.

Grizzled heads bent forward and a look of shame passed over the sea of faces.

"How many?" repeated the speaker.

Two palms were elevated, one by a youth in the gallery and the other by a middle-aged man.

"Ah, boys, it is a duty none of you should overlook," said Dr. White. "Write mother every week and follow the example of two of your companions here."

The Lucky Quarter.

It is the one you pay out for a box of Dr. King's New Life Pills. They bring you the health that's more precious than jewels. Try them for headache, biliousness, constipation and malaria. If they disappoint you the price will be cheerfully refunded at the Barrington Pharmacy.

To Tax Payers.

I will be at the office of Platte & Co. Wednesday and Saturday of each week to receive taxes for the township of Cuba. Taxes must be paid on or before March 5th.

"Boost the Booster!"

That's the official slogan of a certain town in Arkansas which through boosting itself and boosting its boosters has doubled its population since the 1900 census.

BOOST THE BOOSTER!

The Arkansas town had been quarreling among itself

for years, and standing

still. It had boosters,

but it had others who

refused to boost the

boosters, refused to

stand by them and yell,

"Good boy—keep it up!"

BOOST THE BOOSTER!

Finally the town got

together with itself, or-

ganized a "Boost the

Booster Club" and be-

gan to boom. Now its

principal thoroughfare,

which was a streak of

mud, is a stretch of

asphalt, and it has new

buildings to match. Now

everybody boosts the

booster and booms the

boom.

BOOST THE BOOSTER!

This town might

take a hint from that

one. We have our town

boosters—every town has

some. But sometimes they

get discouraged because of

opposition right here in

our midst.

BOOST THE BOOSTER!

Cut out the criticism!

Quit the quering!

Boom the boom!

Then watch the old town perk up and plunge for-

ward. You can see it move.

WHEN YOU BOOST THE BOOSTER YOU BOOM

THE BOOM.

GIVE ANNUAL BANQUET.

Thursday Club Met at Home of

Mrs. Sanford Peck Last

Evening.

A banquet enjoyed each year by the ladies of the Thursday club was repeated again this season with all the pleasure of succeeding years and all the interest of the season of 1908. Mrs. Sanford Peck's home was the place of entertainment this year and the house was made attractive with crepe paper bails and decorations in red, green and white flowers. The dinner was served to thirty-three in three courses at one long table, extending through the rooms, by Mesdames Peck, E. Hawley, G. W. Spunner, P. Packman and S. Seebert, a committee on arrangements.

The toast master was R. L. Peck of Palatine who introduced the following post-prandial speakers: Mrs. Clara Sears, "Our Men"; Miss Eva Castle, "Our Men"; and G. W. Spunner, "Our Women."

After dinner a program opened with a short talk by Mrs. William Horwath, the club president; violin and piano duets, the Misses Smith of Cary; reading, Francis Dolan; piano solo, Miss Cornelia Smith; a paper on "The Home and Its Influence," Mrs. A. Weichert.

Mrs. Spunner was chairman of the banquet committee and every effort was made to make this annual occurrence, the 13th of its kind, successful in all details.

Mrs. Horwath spoke as follows: "We have passed the fatal 13th year of our club without any calamity having befallen us. It has been as pleasant, and we trust as satisfactory in results, as any before it. From our varied reading and study that have taken us over, and under, land and sea, and among the stars, we can hardly have failed to gain a goodly store of knowledge of our club's doings, of new discoveries and inventions, that will enable us to enter upon our 14th year better prepared than ever for the work we may choose. There is little danger that the social side will be neglected, as we all find the meetings too enjoyable to omit them."

THE MONTHLY MEETING

Of the Village Board Was Held

Monday Evening. Time of

Primaries Fixed.

The village board met in regular session Monday evening with all members present, President Spunner presiding. The minutes of previous meetings and report of George A. Jencks, treasurer for the month of February were read and approved.

Current bills for the past month were allowed. A bill of H. P. Castle for attorney fees for \$18 in the appeal of J. H. Peck, for alleged violation of village ordinance was objected to by Trustee Dockery. He thought inasmuch as the case was prosecuted by the Law and Order league they should bear the expense of the appeal. The other five members of the board voted to pay the bill.

The judgment rendered in favor of Flora B. Meyer, February 24, 1902, for damages sustained in the raising of grade of Main street in front of her property was ordered paid. The amount including interest, court costs and witness fees was \$709.47.

R. H. Lytle in a communication offered to payment of the special assessment for water mains on Cook street, as he thought his assessment was too high. The time for objection having passed the collector was instructed to notify him to pay his proportionate share.

Trustee Dockery of the water committee said that the committee had agreed upon a rate of two dollars per annum where water meters were used as a power for running grating machines and for other similar purposes. The report of committee was adopted.

Trustee Hager offered a resolution which was adopted fixing the primary for the purpose of nominating all village officers to be elected at the coming village election; April 21, for Saturday, April 4, from 3 o'clock p. m. to 8 p. m. The voting is to be under the Australian ballot system and all candidates are required to file with the village clerk in writing, their names, giving the office for which they are candidates at least five days before the date of primary.

The names of all candidates are to be printed upon one ballot and those receiving the highest number of votes will be declared the nominees.

The board instructed the clerk to notify the Stearns White Chemical Co. to remove the refuse about their place of business.

There being no further business the board adjourned.
