PROHIBITIONISTS MEET

Joseph E. Anderson, of Lake Forest Endorsed for the Legislature.

Delegates representing the Prohibition party of the eighth congressional district comprising Boone, McHenry and Lake counties met in the Y. M. C. A. rooms Wednesday afternoon. The delegates present were as follows: Boone county—C. W. Earl and G. F. Sager; McHenry county—George Williams, H. O. Halligan, A. B. Lucas, F. L. Griffith, John Corlett and F. W. Hogan; Lake county—Dr. D. H. Richardson, Joseph Anderson, Harrison Brown, L. E. Morse, E. S. Wells, F. H. Plagge and Henry Shepherd.

Dr. D. H. Richardson of Barrington was chosen as chairman and Joseph E. Anderson of Lake Forest secretary.

Edward E. Blake and Almon E. Wilson of Chicago, who are promoting the prohibition movement in this state, were present and addressed the gathering. Mr. Blake impressed upon those present the necessity of nominating the strongest and best man for the legislature. He said that \$1,000 had already been subscribed as a campaign fund and that the prospects for victory were very bright.

Williams of Crystal Lake was anxious to have two candidates for the legislature placed before the voters. After some discussion it was decided to name but one.

A. B. Lucas, of Crystal Lake was endorsed for state senator. Edward S. Wells, who is 80 years old and has the distinction of being chairman of the first meeting of prohibitionists held in this state, nominated Joseph E. Anderson, son of Lake Forest, as a candidate for the legislature. George Williams nominated A. C. Manley of McHenry county. The vote stood 9 to 4 in favor of Anderson.

The senatorial committee of each county in the district, is expected to circulate a petition for the names of the candidates endorsed upon the primary ticket. They are also to prepare, with the assistance of the candidate, Joseph E. Anderson, a platform which is to be submitted to the voters within 30 days.

During the afternoon a ladies quartet furnished music and made a hit by singing "Barrington is Dry." Newton Plagge rendered a cornet solo which was well received.

WILL BE GOOD.

The bill at the great Majestic theatre, Chicago, for the week of May 18th is running over with absolute novelties representing as wide a range of up-to-date vaudeville as it would be possible to secure. One of the headline attractions is the Marcel Art Studios depicted in the most artistic manner by seventeen living models of the very highest class. Another headline novelty, this one along scientific lines, but of the most absorbingly popular character in its development is an exhibition by Miss Alice Norton, student of a famous Swiss scientist who comes direct from the London Hippodrome where she astonished enormous audiences by making in full view of everybody most beautiful rubies and sapphires, and offering other astonishing experiments. Mary Norman, the most popular impersonator in the entire realm of vaudeville, is a distinct feature on this programme.

Charles Dickson, a comedian who has appeared in all the great theatres of the country as a comedy star of the highest class will offer his famous success entitled "A Pressing Matter." Searl and Violet Allen, whose sketch "The Traveling Man" is one of the funniest and most original in vaudeville will also adorn the bill, while a new and important production called Redpath's Nappanee involving a dozen clever people will illustrate the latest thing in musical comedy.

ARE PLACING CANNON.

Work of Putting the Three Cannon in Position Has Begun.

Work began Tuesday at the new cemetery in placing the three cannons in position. The cannons are the two purchased in New York and the one from Rock Island, given by the U. S. Government. H. A. Harnden is doing the work under the direction of the committee of the G. A. R. who are Charles Hawley, Fred Lagaschulte and George Conover.

One of the cannons will be placed in front of the soldiers monument, pointing east, down the main driveway; the other two will point, respectively, northeast and southwest. They will rest on concrete bases, 29x26 inches square and one and a half to two feet high.

The cannons will be placed at the north and south sides of the monument. It is expected that these ideas will be developed by Decoration Day, two weeks from to-morrow.

No record of the gift cannon is given, but the other two are Union field cannons of the veterans of many engagements of the Civil War, 1861-65, captured and re-captured at the battle of Chickamauga, September, 1863.

DECORATION DAY PLANS.

Program in Charge of G. A. R. and W. R. C. Redmond will Speak.

Plans for Decoration Day have been completed. General Thomas W. Sweeney Post, No. 275, G. A. R. assisted by the Woman's Relief Corps will be in charge of day's program in Barrington.

The date is Saturday, May 30th, two weeks from to-morrow; that morning the procession will form on Fountain Square down town and march to Evergreen cemetery where decoration of graves with suitable ceremonies will take place, then return to village square and disband. In the afternoon the ranks will again form and march to Zion church where an appropriate program will be given with attorney A. J. Redmond of Chicago, as speaker.

Field cannons of the veterans of many engagements of the Civil War, 1861-65, captured and re-captured at the battle of Chickamauga, September, 1863.

A patriotic lecture will occur in the evening at the Methodist church which Dr. F. A. Harnden of Chicago will deliver. The program is to be the Relief Corps and will be used for setting soldier's headstones.

If a pleasant day is permitted, great interest will be shown in these programs. Henry Reuter is the present G. A. R. commander and H. H. Williams is adjutant. Mrs. Emily Hawley is president of the W. R. C. and Mrs. Sanford Bennett, secretary.

A NECESSARY PRECAUTION.

Do you know how much better it is to have your return card printed on all of your envelopes? If your letter misarranges, or the party to whom you are writing cannot be found or has moved; if you give the wrong address, or any of the hundred and one things which may happen do happen, your letter will be returned to you, and not go to the dead letter office to be opened and read by strangers and sent back in a month or two if it is considered important enough. And how much better you feel in sending checks, money orders, receipts, etc., to know that if your letter does go wrong it will come back to you at once.

At the REVIEW office you can buy envelopes, 250 in a box, printed with your return card, for \$1.35 per box, or larger boxes at proportionate prices. In buying envelopes a bunch at a time you will pay more than this for the envelopes alone, if you get the same quality. The practice of using printed envelopes is endorsed by the United States government, and is coming into almost universal use.

SMITH NEXT PRINCIPAL.

At a meeting of the board of Education held Friday evening of last week Mrs. S. E. Smith, who has been principal of the Hampshire High school at Hampshire, Illinois, the past year, was employed to take charge of the Barrington schools the coming year at a salary of \$100 per month.

Miss Bernice Hawley and Miss Grace Roberts were retained as teachers at a salary of thirty and fifty-five dollars respectively.

The balance of teachers have not as yet been selected.

"Why do they refer to a government office as plot?" asked the plain citizen.

"Because," answered Senator Boegum, "it's something that nearly everybody lies himself, although he thinks it's bad for nearly everybody else."—Washington Star.

WATERMAN TREASURER

Appointed at Adjourned Meeting of the Village Board Monday Evening.

The village board held an adjourned meeting Monday evening at the Village hall with President Spunner presiding and all members present with the exception of Trustee Hare.

President Spunner announced that he would not be ready to name the standing committees until the June meeting. He submitted the following appointments:

Edward Peters—marshal, street commissioner and superintendent of water works, all at a salary of \$45 per month. Fred Jahnholt—night watchman, salary \$40 per month.

Howard P. Castle—village attorney, no fixed salary. Dr. W. A. Shearer—health officer. F. L. Waterman—treasurer and village collector. Salary \$200 per annum.

There were five candidates for treasurer and village collector. All appointments were evidently agreed upon at a prior gathering of the board, as they were confirmed without opposition.

The nightwatchman was instructed to keep the sidewalks clear in the neighborhood of the bank corner evenings.

President's application for a six month's license for a pool room was laid over until the June meeting.

Trustee Peters made complaint of a drain in the street on the north side of B. H. Solt's property on Lake street, which was referred to a committee of three, of which Trustee Alverson is chairman.

DEATH OF MRS. MARSHALL.

Was an Old Resident of this Place. Death Occurred Monday.

We record this week the death of Mrs. Martha Standerling Marshall of Cook street, a woman ninety years of age who has been a resident of Barrington for many years. She has always been most thoroughly known as a good and sympathetic woman, always ready to aid neighbors and friends in distress and especially kind in sickness.

For years, due to her advanced age, she has been little known to the young and never residents, but to her older remember her with kindly thoughts.

Three years ago this month she fell and broke a rib, so that, since then she has been very feeble and almost entirely confined to her bed for the past year and a half. On Monday she died while asleep, without pain or consciousness.

Mrs. Marshall was born in Bradford, Yorkshire, England, in 1818, one of a family of eighteen children. At nineteen she was married to Benjamin Marshall; two children were born, one dying in infancy; the family moved to America fifteen years after, in 1837, settling at Northfield near Wheeling. Thirty-seven years ago they moved to Barrington and lived on the spot where the Salem parsonage now stands later moving to the present home.

Mr. Marshall who died fifteen years ago was a mason by trade and sexton of the cemetery.

One son survives who is Squire Marshall with whom his mother lived. Mrs. S. Marshall, a grandson, R. S. Marshall and a little grand daughter are others living at the home.

The funeral was Thursday afternoon and Rev. O. F. Mattison conducted the service.

DIED LAST NIGHT.

The death of Christian Allbright occurred last night about one o'clock. He was an old man of eighty years, who had lived with his son, Charles Allbright, on a farm near the Lake and McHenry county line, just north of Cook county line.

The cause of death was nephritis and he had been in bed two months, although sick for several years past.

Mr. Allbright was born in Germany, February 8, 1828, but had lived most of his life on farms around Barrington. He was a member at one time of St. Paul's Evangelical church here and the Rev. Stanger will have charge of the funeral, the time of which has not been decided as the arrival of a son, Mrs. Sylvia Fuller, and his brother, Fred, of Chelsea, Michigan. All business places were closed during the funeral which was very large.

HAVE BEEN SHIPPED.

Notification from Authorities that Markers are Coming.

Mrs. Emily Hawley, president of the Women's Relief Corps, received word Tuesday from government authorities at Washington, D. C. that the markers for the soldiers' graves here have been shipped and it is hoped they will arrive in time to be in position for Decoration Day. The ladies of the W. R. C. have interested themselves in securing these small marble slabs which the government furnishes and bears all expense, excepting that of setting; about fifty will be sent here and they will be marked with the name of the soldier, date of death and his regiment. This plan is a highly commendable one, serving to perpetuate the memory of local veterans.

HILL CLIMB TOMORROW

Bad Roads Cause Postponement of Auto Contest. Course in Fair Shape.

Continued rain caused the Chicago Motor club to postpone its hill climb scheduled for decision today at Alsopville, the affair going over until tomorrow. If weather then is unsuitable there will be a second postponement until Monday.

The cause was not so much the fear that the hills would be unclimbable as the condition of the roads between Chicago and Alsopville, which would greatly diminish the number present.

NEARLY A FAILURE.

Motion Picture Exhibition Spoiled by Poor Operation.

What might have been a very interesting and impressive moving picture exhibition Tuesday evening was nearly a failure on account of the poor operation of the machine and many present were disappointed who had expected to enjoy the views.

A good attendance gathered in the Zion church to patronize this entertainment given by the Y. M. C. A. who had engaged Messrs. Briggs and A. Shultz of Dundee, the owners.

The first pictures shown were fairly good views, being imaginary representations of the life of Christ, posed by good actors, but no explanation was offered. The pictures were changed and unless one was familiar with the chronological events of the Lord's life, the pictures might not be understood. Later, slides were given like scenes in the Passion play as given in Oberammergau, Switzerland in 1900, although they were not actually pictures of the play, but scenes played by people who were hired by the moving picture manufacturers to represent the play, as nearly as possible. However, the reflections were poor making it all rather disappointing.
