VOL. 24, NO. 18.

BARRINGTON, ILLINOIS, FRIDAY, JULY 24, 1908

\$1.50 A YEAR IN ADVANCE

WILLIAM F. LYNCH.

Leading Candidate for Republican Nomination for Secretary of State.

William F. Lynch, county clerk of Kane County, who is a candidate for the Republican nomination for the office of secretary of state, is a native of Elgin, the city of watches and butter. He was born November 20, 1865, and was educated in the public schools of his native city. For twelve years he was employed in the Elgin postoffice, one year at the stamp window and eleven years as a mail carrier, during which service he formed a large acquaintance and many staunch friends.

His father, General William F. Lynch, was the colonel of the 58th Illinois Infantry in the Civil War, and commanded the First Brigade, Third Division, Sixteenth Army Corps. He was one of the best known lawyers in Northern Illinois, and in the early days was one of the Republican leaders in that section of the state. Following in his father's footsteps, the son has always been a strong and active Republican.

In 1902 Mr. Lynch was elected county clerk of Kane County, and has filled the position ever since with credit to himself. He was nominated at the primaries August 4, 1906, to succeed himself, without opposition, and was re-elected November 6, 1906, without opposition at the polls. This is without precedent in the history of Kane County, the largest Republican county in the state, Cook County alone excepted, having 12,377 Republican votes.

When the child was taken ill Mr. Skibbe discovered what he had taken and promptly gave him a glass of milk and rushed to Dr. W. A. Shearer, the child to the office of Dr. W. A. Shearer, where he was taken care of. He was taken home Sunday morning.

New Fair Buildings.

The Lake County Agricultural society is erecting two new buildings on the fair grounds at Libertyville to replace those destroyed. Cement blocks will be used and the buildings will be one story high. No windows will be put in the buildings but they will be provided with openings for light and ventilation, closed with wooden shutters. The work must be finished in time for the fair in September, which will necessitate its being rapidly pushed.

Beat the World Affords.

"It gives me unbounded pleasure to recommend Bucklen's Arnica Salve," says J. W. Jenkins, of Chapel Hill, N. C. "I am convinced it's the best salve the world affords. It cured a felon on my thumb, and it never fails to heal every sore, burn or wound to which it is applied." See at the BARRINGTON PHARMACY.

Chicken Thieves About.

William Wierholt, who lives east of town, informs us that a chicken thief has been making regular visits in that vicinity. Wednesday night Mr. Wierholt lost twenty-five chickens and one night last week he lost seventy-five. William Tekamp, who lives in that vicinity has also lost a number of his chickens. Mr. Wierholt says the thief is known and will be prosecuted if any more fowls are taken.

The annual report of the Board of Auxiliary Visitors for Jails and Prisons of the state shows the following expenditures in Lake county to June 30, 1908:

Alms-house, maintenance, \$5,358.92; building and repairs, \$2,494.50; outside poor relief, food, clothing, fuel and so forth, \$25,755.45. Total, \$33,593.37.

McDonald-Cox.

Miss Honor Cox and Clarence McDonald were married at the home of the bride's parents, Mr. and Mrs. John Cox, at Adrian, Minn., Wednesday. Mr. and Mrs. McDonald will be at home after September 15th at 2236 Jackson Blvd., Chicago. Mrs. McDonald was a teacher in the public school here a few years ago and made her home with Miss Margaret Lamey.

Was Not Shot.

A letter from Curtis Powers of Chicago states that his brother Louis Powers was not shot but was instantly killed by a Northern Pacific R. R. train at Sand Point, Idaho, on July 7th and was buried there with his brother on the 11th of the month. While such a death is hardly less tragic than that first reported, yet his friends feel better to know that it was an accident and not a duel that closed his life.

Wauconda Leader.

Word is received that since going to Muskogee, Oklahoma, to visit their daughter, Mr. and Mrs. George Constock have both been quite ill and that Mr. Constock is still poorly.

WAUCONDA.

Francis Kent is visiting friends in Chicago.

Mrs. Dr. Quincey and son are visiting at Henry Golding's.

A license to wed was issued last week to Fred Winkoop and Miss Leona Denton of Woodstock.

Mrs. C. L. Pratt is still under the doctor's care, but is gaining some and friends hope she may soon be quite recovered.

Don't forget the dance at Oakland hall, Saturday evening will be a very pleasant event. The Oakland is one of the best halls in the county.

East Side Hotel has about thirty boarders this week and Miss Lucy Sowles is maintaining her reputation as an excellent cook having gone to the aid of Mrs. Clark.

Guy Curry of Waukegan and Mr. Ferguson of the force of the Lake Forest called here Sunday having made the run from Waukegan to Algonquin by motor cycle in the afternoon.

Miss Iva Kirk was the winner in the Stuyvesant Company's voting contest Saturday evening and is the owner of a diamond ring as the result. Miss Viola James, whose friends placed her a close competitor, showed the true spirit of the estimable young lady by congratulating Miss Iva over her success.

PALATINE.

The store of F. W. Thies, Merchant Co. is closed while it changes hands and new fixtures installed.

Charles Dean with Fleming Roy and Minor Hele is winning a number of races and going some fast miles at the races down in the state.

Mr. and Mrs. Frank Cooley and children arrived here from Iowa this week and will make their home in Des Plaines, while Frank attends a school in the city.

The election precincts of Palatine have been changed and State street instead of Chicago avenue is now the dividing line. It would not do to have all our politicians in the same district as there is only one commitment to be elected, hence the change.

Palatine defeated the Woodstock White Sox Sunday by a score of 13 to 0. They play the Chicago Red Sox this Sunday. The latter team has a feeder without legs except the wooden article. The north side and south side married men play ball Saturday, August 1.

The large barn on the Nason farm with seven horses, 50 tons of hay, 2 rubber tire barges and a number of tools were destroyed at 4 a. m. but the building burned so fast, nothing could be saved, the attention being to prevent the fire from spreading. This financial loss coming so soon after the death of a father and daughter makes it seem all the greater.

DROWNS IN HONEY LAKE

Harry Harris Meets Death Saturday Evening While in Bathing.

Harry Harris, 17 years old, was accidentally drowned in Honey Lake Saturday evening. Shortly after the evening meal Harris and another boy, 14 years of age, who were visiting with E. P. Campbell, went in the lake bathing. After they were in the water some little time Harris made a long shallow dive, came up alight and started to return to shore. He was unable to make any headway and his companion made an effort to help him with a long pole and called for assistance.

E. P. Campbell responded to the boy's call, but was too late to save his life. After some time he recovered himself and took it to shore and with Dr. Jordan used every effort to revive him. Afterwards Dr. Weichelt, who had been called, labored for some time, but without result.

George Taylor was notified and an inquest held Sunday morning. The verdict of the jury being accidental drowning. The evidence presented would indicate that he was suddenly taken ill and unable to help himself.

The remains were shipped to his father at Sturgeon Bay, Wisconsin, Sunday evening.

Mentch's Methods.

The following from the Woodstock Republican of July 22nd is the kind of campaign methods used by L. E. Mentch in his canvass for State Senator.

"MIDDLING BEGINNING."

"Everybody had hoped that the various candidates for the several offices to be filled this fall would be content to solicit votes on their own merits as men, but it has remained for L. E. Mentch to begin a campaign of mindboggling and misrepresentation against his opponent, Albert J. Olson, for senator. The local mails having been flooded with his efforts in this line on Tuesday last, Mr. Olson is too well known and too highly esteemed in this vicinity for such a man to add to his popularity, as Mr. Mentch will discover when the ballots are counted on the 4th of August. He will discover that Mr. Olson has been here plenty long enough to be nominated for the senate and to do the people good service there."

Farmers Wanted.

Washington, D. C., July 18, 1908.

Wanted: 3,000 practical farmers who would like to own homes of their own. The Government has nearly 200,000 acres of land lying under the various irrigation projects throughout the West for which water will be available next season. The farm unit on these lands varies in most cases from 40 to 80 acres of irrigable land, depending upon location. In many sections a tract of grazing land has been included in the farm unit wherever practicable, bringing the total up to 100 acres.

The only charge for these farms, besides the regular land office fee for filing, is the actual cost of getting water to them, and payment may be made in ten annual installments, without interest.

These irrigation projects are scattered over the entire arid region, from Canada to the Mexican line. In consequence, every variety of crop grown in the temperate zone can be raised under them. If you would like a fruit or dairy farm, a garden for market truck, a tract for diversified farming, hog or poultry raising, just write to the Station Director of the U. S. Reclamation Service, Washington, D. C., for particulars.

G. O. PRUSTA.

Candidate For State's Attorney.

Edward J. Heppelacker, Republican candidate for State's Attorney, was born on a farm in the town of Newport in Lake county, Illinois, on August 3, 1883, his education was obtained in the country schools and in the Waukegan high school.

In 1891 Mr. Heppelacker commenced the active practice of law in Lake county and was assistant State's Attorney for ten years, subsequently, in 1901, he was elected city attorney of the city of Waukegan.

On Friday evening last the employees of the C. F. Hall Company enjoyed their thirteenth annual outing and received their thirteenth semi-annual dividend, amounting in this case to something over four hundred dollars, the different checks ranging in amount from three dollars to sixty.

It was in 1903 that the C. F. Hall Company, who had had under advisement several plans of profit sharing, announced at a banquet of their employees that for the coming six months one per cent of their gross sales would be paid to their employees in the shape of a dividend, to be shared among them in the ratio of the wages which each was receiving.

The receipt of this plan of course meant an addition to their pay roll of something like a thousand dollars per year and they explained that the plan was an experiment, the indefinite continuance of which they could not guarantee. So, well, however, have they found it to merit that they have continued it unintermittently from that time, the result being that they have disbursed among their employees over five thousand dollars.

Last Friday evening was spent, as several of the previous ones have been, at the Ward Williams, where Mr. and Mrs. G. C. Hall have established themselves for the summer, and in order that the guests might reach there in season for an early supper, the store was closed at five o'clock. They do not seem to care, and after the company had done full justice to what they provided, the evening was spent in boating upon the river and in singing about the camp fire.

The C. F. Hall Company announces that their dividend policy will be continued for the coming six months.

Letter From Olson.

Woodstock, Illinois, July 20th, 1908.

M. T. Lamey, Editor Barrington Review, Barrington, Illinois.

My Dear Sir:—

Some one opposed to my candidacy for State Senator has seen fit to distribute throughout this Senatorial district what purports to be a copy of Cook county Republican delegate ballot, bearing date of August 4th, 1908, and on which my name appears as a Republican delegate to the State and County Convention of that year.

As the same were mailed through the post-office at Cary, Illinois, I assume they were mailed by Mr. Mentch, who is also a candidate for State Senator.

While no claim is made that I have been an actual resident of Mellencoy county for over five years, the inference is that I was a resident of Cook county on August 4th, 1906, also my name would not have appeared as a Republican delegate.

In answer permit me to say that if my name appeared on any Republican ticket in Cook county the year of 1906, as a delegate or in any other way, it was without my knowledge.

In the year of 1904 I was elected as a delegate to the Republican State Convention from Cook county, and that is the last time that I have any knowledge of my name being used on any ticket in Cook county.

I did not at that time ask or seek to be a delegate and no question was then raised as to whether I had a right to be a delegate or not. I did not know that my Republican friends had my name on as a delegate until shortly before the primaries were held.

As to my residence in Mellencoy county I will say, I have made Woodstock my home for over eight months of each year from 1903 to the spring of 1903. Since the spring of 1903 I have been an actual resident of the City of Woodstock, Mellencoy county, as can be proven by any citizen of the City of Woodstock, where I have been engaged in business for nearly twenty years.

The Constitution of this state has seen fit to provide that a two years residence in the district at the time of the election is sufficient. My residence in this district has practically been for the last fifteen years, but my bona fide residence in Woodstock, Mellencoy county, has been since the spring of 1903.

I ask that you publish this letter in the interest of fair play.

Very truly yours,
A. J. OLSON.
