VOL. 24. NO. 23

BARRINGTON, ILLINOIS, FRIDAY, AUGUST 28, 1903

\$1.50 A YEAR IN ADVANCE

GONE TO HER REWARD

Miss Rebecca Thompson, aged

58. Died Monday Morning.

Mrs. Rebecca Thompson, aged fifty-eight years, wife of Job Thompson of Cuba township, died early Tuesday morning, August 25th, of cancer of the stomach. She had suffered greatly for the past month and was obliged to remain in bed. Although never robust she had always been about, excepting a year of ill health years ago, when it is thought the disease developed.

On Sunday the lady lay apparently conscious but helpless, and died while sleeping at four o'clock Tuesday morning with her family gathered at the bedside.

The Thompson home is about two miles and a half directly north of Barrington, near Honey Lake, the former Henry Gieske farm.

Mrs. Thompson was a woman of quiet tastes, patient and kind through trouble and sorrow, gentle and industrious. She was of English birth and was born in the town of Kirtland, Lincolnshire, England, May 19, 1850. Two sisters and a brother are living in England. When twenty years old she married Job Thompson who lived near her home, April 7, 1870. Mr. Thompson came to America soon afterwards and a few years later, in 1879, Mrs. Thompson followed with an infant daughter. They lived on a farm near Crystal Lake, towards Huntley, about six years, then in Wauconda ten years and have resided at the present home ten years. In England Mrs. Thompson was of the Methodist faith; in Crystal Lake she affiliated with the Baptist church, but entered the Methodist church here long ago.

Mrs. William Leonard is the oldest daughter and left at home with the father are two sons, George and William and three girls, Sarah, Edith and Mabel.

The funeral was held at the home Thursday afternoon at one o'clock with Rev. Mattison as pastor. Burial was in the White cemetery.

Increased Valuation in Towns.
The board of review of Cook county has finished its labors reviewing the estimates of assessors on the real estate located in the thirty townships of Cook county and find a total of nearly \$150,000,000. The increase over valuations of 1907 is about \$1,000,000.

Barrington township shows an increase of \$5,000, the figures for 1907 being \$354,048; for 1908, \$359,005; for 1909, \$369,500; for 1909, \$372,978.

The board changed the estimates of assessors but little.

Thank You, Brother.

A gentleman who came into our office to pay his subscription the other day was jokingly asked by another one of our subscribers if the Review was worth the price. He said: "It surely is; a while ago I tried to go without it, and I never felt so cross and crabbed in my life. I soon became a subscriber again." Words of appreciation, such as these, are valued highly by a country editor who must bear many criticisms as well.

Y. M. C. A. Win as Usual.
Last Saturday afternoon the Y. M. C. A. defeated the U. S. Express team 6 to 1. To-morrow they will play the T. Hutteners of Chicago, which is a team that defeated them so badly a few weeks ago, and the only team which has been able to defeat them lately. The Barrington's are out for revenge. It will be the game of the season.

Twenty-five and Costs.
The Canada thistle case, the People vs. H. D. Wetmore, came up for trial before Justice Kohl at Lake Zurich Monday afternoon, a change of venue been taken. The case was tried by a jury who found against Mr. Wetmore and placed the fine at \$25 and costs.

Temperance Rally.
At the Harrington park campground Saturday, August 29th at 2:30 p. m. Bishop R. Dubs, D. D. will deliver a temperance lecture in the English language. Everybody come and hear a masterly discussion of the great American issue.

Waukegan Postoffice Robbed.
The Waukegan postoffice was entered by burglars Sunday night. The safe was blown and about \$1,600 in currency and stamps taken. No trace of the burglars has been found.

If you wish to rent or sell your home advertise in the Review's business notice column and you will find an interested party.

School opens here Monday, September 7th. Prof. E. A. Smith, the principal, will be assisted by Misses Mildred Peterson and Jesse Solomon. Miss Kate Nye will have charge of the eighth grade; Miss Mable Matthews the seventh; Miss Lucille Paddock the sixth and fifth; Miss Bernice Hawley the fourth and third; Miss Elsie Gainer second, and Miss Grace Burrows will teach the primary grade.

We notice the excellent manner in which the school, and especially the lawn, has been cared for this summer. Our school board is to be congratulated for having secured the services of so excellent a care taker.

COOK COUNTY TEACHERS MEET.

Principal Feature of Annual Institute Is Series of Lectures by Dr.

Earl Barnes.

The annual Cook county teachers' institute opened at the Chicago Normal school Monday. One of the principal features is a course of lectures by Dr. Earl Barnes of Philadelphia. The session will close a week later.

Good Time, But Expensive.

Gus Pulos, proprietor of the Barrington Chocolate Shop, together with Louis Chalegas owner of the restaurant and his cook, Charles Alexander, were taken into custody Sunday afternoon by Marshal Peters on a charge of being drunk and disorderly. They had been to Lake Zurich and imbibed too freely of the "amber liquid." On the way back they drove the horse quite hard, and while it was not injured it was quite stiff the next morning. They settled with Mr. Comstock, owner of the animal for five dollars.

The gentlemen were released Sunday evening on \$50 cash bail, each, and allowed to resume business. Monday morning they were arranged before Justice Lines and pleaded guilty to the charge. Pulos and Chalegas were each fined \$5 and costs, and Alexander received a fine of \$10 and costs.

Pianos at a Discount of 20 to 40 Per Cent.

When Lyon & Healy of Chicago bought for cash the entire retail stocks of three leading Chicago piano houses, viz: The Thompson Music Co., the Healy Music Co., and the P. G. Thearle Co., the entire piano trade of the United States wondered what Lyon & Healy could do with such a vast collection of fine instruments in addition to their own big stock. For these are no cheap factory pianos, but pianos of makes of the highest reputation.

What Lyon & Healy have done is to mark all these pianos, and there are hundreds of them, at a discount of 20 to 40 per cent. The response upon the part of the public is marvelous.

If you know the names of good standard makes of pianos and the prices always paid, you will need no second invitation to write to Lyon & Healy, 77 Adams street, Chicago, for lists and terms. For you can secure a genuine \$300 upright for \$190, or other bargains in proportion.

Lyon & Healy give their own guarantee with every one of these pianos no matter whether it is from the Thompson, or the Healy, or the Thearle stock. Nothing like this opportunity has ever been given to music teachers, students and music lovers heretofore.

McHENRY COUNTY FAIR.

Will be Bigger, Better and More

Interesting Than Ever Before.

All residents, as well as former residents, of McHenry and surrounding counties, both young and old, little and big are cordially invited to attend the McHenry County Fair and Homecoming Festival to be held at Woodstock, Illinois, the second week in September, and see what the management have prepared for them in the way of entertainment and enjoyment.

Tuesday will be one of the best days of the fair. Attractions will be provided on Tuesday that will not appear on any other day. Come Tuesday and stay all the week.

The premiums offered this year are practically double those offered in any former year, thereby insuring unequalled exhibits in all departments.

The program of special features, attractions and amusements will greatly surpass anything ever before presented at a fair in northern Illinois. The laughter provoking Elton-Polo-Aldo troupe in their refined casting acts, sensational gymnastics and comical acrobatic feats are among the best that can be secured, and cannot fail to please the most fastidious.

Prof. H. Darnell, the successful aeronaut, of Butler, Indiana, will give balloon ascensions and parachute leaps each day of the fair. One of the greatest and most pleasing features of the fair will be the great troupe of Willington Zouaves, consisting of twenty of the world's best drilled soldiers. This is conceded to be the finest and fastest drilling organizations in the world, marching at the rate of 220 steps per minute.

This organization has been declared "Champions of the World" by the government military experts who engaged them for the Jamestown Exposition. Their wall-scaling, pyramid building, and other acrobatic and military feats are wonderful, and the management consider them twice as valuable as the troupe to secure this noted military company, they having never before played to a fair in any city of less than 50,000 inhabitants. This attraction is alone worth the price of admission to the fair.

The speed program under the management of Superintendent A. S. Wright will be enjoyable beyond measure. Famous fleet-footed boys have been entered for these races, and hot and exciting contests may be expected which will afford entertainment to the most ardent admirers of the race.

The Grand Homecoming Festival will be one of the best and most interesting entertainments of the fair, and the members of the Agricultural Board and the people of the county generally will take the greatest pleasure in attending. A hearty welcome is extended to the hundreds of former residents who will be in attendance and who are invited to meet in the Home-Comers' tent at 10 a. m. Tuesday. An appropriate program of music and speaking is being prepared for the occasion, and every home-comer will be invited to make his name and address and headquarters while here.

Extensive improvements and changes are being made in the Agricultural Building. Arches have been placed in the north end of the building, forming a frontage for the booths which will contain the exhibits of school work. This arrangement provides a much better opportunity for decoration. The Metropolitan Business College will install a large and interesting display near the school exhibits. The second floor of the east wing of the building which contains the exhibits of fruits and pantry stores is being papered and more conveniently arranged for light and ventilation.

The Department of Floriculture has been moved to the Agricultural Building. Arrangements are being made for an elaborate display of fruits and nuts, and garden stores is being prepared and ready to be creditably arranged for light and ventilation.

Prepare your exhibits and plan to devote a week to pleasure and harmless enjoyment. It will do you good. It will be better than medicine. A score cure for the blues, and it will return home refreshed, and it will be better and richer than before you came.

Notice to Creditors.

All persons having claims against Mrs. George Beahler, deceased, are requested to present same to the undersigned on or before September 1st. Will not be responsible for claims against Mrs. Beahler after September 1st.

AT THE CAMPMEETING

Dedication of Auditorium Sun-

day 2:30 P. M. by Bishop Dubs, D. D.

The meetings on the campground have been of extraordinary interest and success. From the first service Friday evening the 21st, the attendance has surpassed all records. Everybody is delighted with the new tabernacle. It makes an ideal audience room, set in the open of the square of cottages on a natural slope of the ground. The building is almost square in shape. The spacious platform for the accommodation of the speakers, ministry and singers, extends across the entire front of the building. The side except the platform space are open, furnished with adjustable curtains. The roof is broken with a double row of windows which give both additional light and ventilation.

The management of the campmeeting association, of which John C. Plagge is president and John C. Meiners, secretary, are to be congratulated upon the successful completion of plans long under advisement. Rev. M. C. Morlock, Presiding Elder of the Chicago district, assisted by Rev. E. F. Fausch, pastor of the Salem Evangelical church, Harrington, is in charge of the meetings. Many of the pastors of associated societies are in attendance. Among notable visitors from abroad are: Irving Dunlap, missionary-elect to China, and Evangelist W. D. Wakefield, Mr. Winkler, preacher from Kentucky. Wakefield preaches every evening. His mild voice and compelling eloquence often moving his audience to tears reminds one of Gipsy Smith.

Bishop Dubs, who needs no introduction to Barrington audiences, will preach twice a day beginning this morning. Tomorrow afternoon he will deliver a temperance lecture. Sunday morning he will preach in the English language. In the afternoon he will dedicate the new tabernacle to Divine worship.

Sunday will be a gala day at the camp. Large crowds are expected from Chicago and all the surrounding country. All the citizenship of Barrington is cordially invited to attend. The closing service will be Monday morning. The finish will be an old fashion ring and handshakes.

TWO ENJOYABLE DAYS.

All Have Good Time at Wauconda

Reunion. Bishop Samuel

Fallows Speaks.

The Lake county soldiers' and sailors reunion, held last week Thursday and Friday at Wauconda, was attended by large crowds on both days. The ball games were interesting and good music was furnished by the life and drum corps, the Imperial Quartet and the Des Plaines Military band. Bishop Fallows delivered an excellent address Friday, which was enjoyed by all.

Miss Moore Entertains.

Miss Josephine Moore gave a party last evening at her home near Barrington, known as Hawthorne farm. There were thirty present and the evening was passed in dancing in a new granary which had just been finished.

Phil's orchestra (graphophone) furnished delightful music. The floor was good and splendid time had by all. A luncheon was served at 12 o'clock which was equally enjoyed.

Ideal Entertainment at a Bargain.
The fellow who figured on buying himself at the estimate others place on him, and selling himself at his own estimate is conceded to have had in mind a good business proposition. But for a genuine bargain consider the price of admission to the McHenry County Fair. You can buy a season ticket good for each day of the fair for \$1.00; or for \$1.50 you can buy a ticket admitting both yourself and wife each day, a trifling over 15 cents each admission. Buy a season ticket—attend every day. Meet your friends, enjoy the best holiday outing of the year, and be happy each day afterward.

Auditors Meet Tuesday.

All persons having claims against the township of Cuba are requested to file them with Frank H. Plagge, town clerk, on or before Tuesday, September 1st, when the board of auditors will meet to audit bills.

Your wants will be supplied. If you advertised them in our column of business notices.
