BARRINGTON, ILLINOIS, THURSDAY, NOVEMBER 4, 1909

SEWER SYSTEM AGAIN

Village Fathers Express Thei

Onlines at Monthly Board

Meeting.

IN 1. II. PARDOUK
The greatest problem which has onefrouted the board of village treatest
control of the part of the greatest
the awage question, has been allowed
to relapse the past two or three
months, bed was brought up at they
creating by President Lamey, who ealt
that had received a number of ingquiries as to the progress that was bejudices as to the progress that was betime the question was being seriously
time the question was being seriously
considered. The fact that every member of the bland, in answer to Mr.
that the quily precited and logical
thing to do, iii their opinions, was to
install a complete system, is encourmentally to the serious of the serious of the control
and the properties of the serious of the conmental serious control of the serious
many control of the serious control
in a progress of the serious control
in a proventing. The reasons why this
impranticable are so clearly evides. smallered. The fact that every memancy's overdows. Attack of an old-bull Raseltens. Sike was the oldancy's overdows. Attack of an old-bull Raseltens. Sike was the oldancy's overdows. Attack of an old-bull Raseltens. Sike was the oldancy's overdows. Attack of an old-bull Raseltens. Sike was the oldancy's overdows. Attack of an old-bull Raseltens.
