A POWER IN ILLINOIS

Woman's club organization in Illinois has become a power to be reckoned with; latest statistics show that there are 2,000 distinct clubs with a combined membership of more than 300,000.

Most men are familiar with what one woman can accomplish when she tries, when 30,000 of them get busy along any particular line, something is going to drop.

Woman's clubs are not given to radical and sensational crusades. Their efforts mainly are directed along lines of benefit to the community. This makes them grow in numbers and influence a master for congratulation rather than apprehension.

Christmas trade all over the country promises to smash all previous records. This is another sail in the coffin of those disasters big and little who have been raising the cry of wolf all over the country. When they cry "Wolf!" it's safe for the people to answer with "Rats!"

VICTORY NEWS.

Never before has a scatological fever have appeared in Dundee.

The Crystal Lake is conducting a popular voting contest with the object in view of adding to its list of attractions.

It is planned to install a motion picture machine at the Elgin State hospital, to assist in the cure of the insane.
