Dismal from Service Inspires 'Top Cop' to Kill
Make Escape and Police Start Siege
San Diego, Cal.——

San Diego, Cal.—Hunt R. Durham, a deserter from the United States army, admitted a man built upon a reputation of being a desperado, today, the head after killing three persons, including his wife and her two-year-old child, and severely injuring a fifth.

It was a desecration for revenge, turned in a false alarm and when the former soldier, who had been serving a jail sentence for a crime, killed and probably fatally injured two others.

Durham then ran to his home and on a piece of soap in a handkerchief he hid his wife's face, which he took to the police station. He was then arrested and taken to the center of the business district, where he put a bullet into the brain of the unconscious lady, but the coroner says he will examine the body of the woman, but he has no doubt that she is dead.

G. T. SWITCIGHER TO GO OUT

WALKOUT UNDER REACH FREIGHT YARDS TODAY
Brookhaven of Locomotive Engineers
Threaten Demonstration for Higher Rates
—Harmful to Public Fall.

Chicago.—The freight yards of the Grand Trunk railroad at Chicago and other centers are likely to be the scene of serious trouble in the strike on the Grand Trunk railroad.

A meeting in Chicago of the local members of the Brotherhood of Locomotive Engineers of America it was voted to support the Brotherhood of the Grand Trunk and to call out every workman on the Grand Trunk. The strike will be the longest today.

A conference of the Grand Trunk on the part of railroad men to secure higher wages on fifty cents a day and work has been in session since Monday.

Columbus.—Efforts of Governor Hartman to bring about a settlement of the Columbus street car strike proved unavailing.

When the governor told the unionists that the company was willing to act in the event of recognition and the wearing of union buttons was waived, the unionists had rejected such a proposal before returning out on strike and would continue to resist.

Know How To Keep Cool?

When Summer's sun and daily hot heat find their way into your apartment, no matter how high a temperature degree, there is nothing so comforting and cooling as a glass of Iced Postum served with sugar and a little lemon.

Iced Postum

Surprising, too, how this beverage relieves fatigue and sustains one. The flavor is delicious and Postum is really a food drink.
