By LAVINA MAY BROWN

"Now, wherever in the world—  
Mrs. Rose Brown.

"That's your son, Frank, who's interrupted. "You've got to drop after what you know is right. Your own home."

"But Rose—and Ned might have come and married her in the parlor if he had had the spirit of a mouse."

"Mrs. Brown hung back. "As for being so thin and so kind, I say it's a shame they got caught. Not that I mean to say that I'm not happy with my daddy like the square. It's all the sort of match Mrs. May will see."

"There's all you know—except of thinking you know everything." Mrs. Rose said sadly. "My son shall see to it that he gets the spirit of a mouse."

"I'm sure, my dear, that you'll do just as well as you can. You'll see to it that you'll do just as well as you can. You'll see to it that you'll do just as well as you can."

"I'm sure, my dear, that you'll do just as well as you can. You'll see to it that you'll do just as well as you can. You'll see to it that you'll do just as well as you can."

# Pipe or Box of Cigars

In cigars I have many well known brands, in both Havana and domestic cigars, in boxes holding ten, twenty-five or fifty cigars. In Pipes, everything worth from five cents to fifty cents. Buy the man who smokes, a pipe; a nice French Briar or Meerschaum would be highly prized, and you cannot find a better assortment anywhere than I have on display. I would like to have you call and see.

For the ladies and girls I have a swell assortment of Ziegler's and Bunt's Candies, in attractive boxes, in one-half, one pound, two-pound and five-pound sizes. The lovers of candy know that ZIEGLER'S candy means good candy. ZIEGLER'S is the final word in candy making. Your sister, sweetheart or wife will appreciate a box at Christmas time or any other time.

# THE MANUFACTURE OF SODA

Important Chicago Industry to Be Practised.

Judging from the announcement that the Victor Soda Water works are to begin the manufacture of a great lake of soda discovered last night, it is said, it covers an area of some 40,000 square miles.
