# One more Question

When shown positive and reliable proof that a certain remedy had cured numerous cases of female ill, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are two letters which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

**Pitcher, Ohio.**—"My daughter was all run down, suffered from pains in her side, head and limbs, and could walk but a short distance at a time. The usual very best having serious prostration, had begun to cough about a year ago, and seemed melancholy by spells. She tried two doctors but got little help. Since taking Lydia E. Pinkham's Vegetable Compound, she has improved so much that she feels and looks like another girl."—Mrs. C. Cook, Pitcher, Ohio.

**Irishburg, Vermont.**—"I feel it my duty to say a few words in praise of your medicine. When I began taking it I was very sick with kidney and bladder trouble and nervous prostration. I am now feeling the first bloom of health. Your medicine and food I need greatly improved. My friends who call to me have noticed a great change."—Mrs. A. H. Sanborn, Irishburg, Vermont.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the letters are published without their permission, or that the original letter from each did not come to us entirely unaltered.

**For 20 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ailments. No sick woman can afford to neglect it. It is a household necessity for thousands of women who are suffering from various ailments.**
