VEST-BAND
WRAPPER
Patented Jan. 14, 1908

An infant's shirt made double the length
from top, opens in the back, folds
one lapling over the other, making
the most desirable front and back; wrap-
ping in front from toes of buttons or
strings, thus insuring your child
from all climate changes.
Made in the greatest quantities in one,
the pieces are fewer than any other in-
fant's garment in the market. Do not
accept any other style, as there is no
other so desirable front and back; wrap-
ping in front from toes of buttons or
strings, thus insuring your child
from all climate changes.
