## TABLE MADE INTO A HOUSE

Combination of Useful Where Room Is Limited—Particularly Suitable for Apartments.

Except in households where the whole room can be devoted to sleeping, the problem of providing sleeping quarters for a family is a most important one. In apartments, particularly, the space is so limited that the children's toys are limited by it. A Kentucky man, who has a large family, has found a way to solve this problem, and his plan may be used by the little people as well.
