#### New Out of Work.

The latest little things ever made are 10 King New Life Pills. Liver pill is a sugar-coated globule of health, but changes weakness into strength, languor into energy, brain-fog into mental vigor.

Charles Kappela of Chicago, 1405 Erie St. at Barrington, Chicago, 1405 Erie St. at Barrington, Chicago.

#### Elusive Eyeless Case.

"I can't seem to be able to find my goggles here," said a visitor at the Woodcut. "I have just lost the sixth pair I have bought or begged since I came to New York. The clerk there opens a drawer filled with articles of the kind mentioned, and asks you to name as to identify three of them as his. The lot in the drawer had been gathered in three days.—New York Times.

#### A Young Cyric.

Tom: "They say that every woman is beautiful in someone's eyes. Do you believe it?" Jack: "Certainly—if you include her own."

#### He Didn't Push.

There are some queer men in this world. New Britain, England, a few weeks ago, an employee of a factory tumbled down a gale of wind, and yet he came out with only a few scratches. He had been pushed for ten years by his employer, and was pushed to the point of death. It was not until he was pushed to the point of death that he was pushed to the point of death.

#### Telephone in Church.

Maria Church of Utica has installed a telephone system for the use of members of the church who may be afflicted with deafness. His telephone lines are placed in various parts of the auditorium; the transmission being effected on the point directly in front of the speaker.—Telephone News.

#### Henry and Mandy.

Walter Brown, teamster on engine 235 at the Cary yards, fell and dislocated his right shoulder Monday afternoon.

#### Negatively Speaking.

No man can doubt and at the same time will believe—double indulged too often become double realigned and a skeptic. No man ever can when he has made up his mind to do so. No man can succeed, and think and breathe an atmosphere of failure.
