

Backache Means Dying Kidneys

How You May Cure Yourself Quickly and Thoroughly.

Backache is a warning sign that indicates a serious condition which may end fatally unless treated in time. It is a warning sign that indicates a serious condition which may end fatally unless treated in time. It is a warning sign that indicates a serious condition which may end fatally unless treated in time.

These kidneys are small organs, only about the size of a walnut, situated in the back, one on each side of the spine. They are the filters of the blood, and if they become diseased, the blood becomes impure, and the body suffers. Backache is a warning sign that indicates a serious condition which may end fatally unless treated in time.

LOST FAITH IN WHITE MAN

Estimate Tied Off by Telephone Scheme, and Realized He Had Been Deceived.

An interesting story is told regarding the efforts of an Eskimo to construct a telephone line. The Eskimo came into possession of a piece of wire of considerable length and never having seen before he asked Professor McMillan of the Peary expedition what it was and what it was for. He was told that the white man strung it on poles stuck in the ground and a wire talking to an instrument at one end could be heard at the other end. After some search the Eskimo located the Eskimo was found to be engaged in telephone construction work of which he struck some sticks in the ground and hung the wire on poles. He was told that the white man strung it on poles stuck in the ground and a wire talking to an instrument at one end could be heard at the other end.

Socially. Launched. In his first year he had all the boys in the neighborhood to boarding school, he was for a time homeward to make friends. His first letter to his mother was: "I am well, but I don't believe they ever have much fun here." The second letter, written after a few days, read: "I am well, but I don't believe they ever have much fun here."

FEED YOUNG GIRLS

Must Have Cream. Great care should be taken at the critical period when the young girl is getting into womanhood that the diet consists of such rich and nutritious food as milk, cream, butter and eggs.

At this age the young girl is being formed and if formed of a healthy, sturdy character, blood and capillaries will follow, and the body will be healthy. If not checked, may ripen into a nervous condition and cause lifelong suffering.

A young lady writes: "I have been suffering since I was a child with a weak stomach. I have been suffering since I was a child with a weak stomach. I have been suffering since I was a child with a weak stomach."

"There's a reason." How read the above letter? A few lines therein, from the following: "I have been suffering since I was a child with a weak stomach. I have been suffering since I was a child with a weak stomach. I have been suffering since I was a child with a weak stomach."

STATE HAPPENINGS
