U-S COMBINATION PHONOGRAPH

The automatic change reproducer carriage permits the enjoyment of two-minte and four-minute records by the simple turn of a shift best to the rights as left key to the right or left.

The Mandrel pulley balance wheel insures correct musical pitch by evenly maintaining the speed of the mandrel.

The flexible tone arm amplifies the sound waves to correct musical tone.

The sapphire reproducing points are micro-copically-ground jews which never need replacing and last forever, and obvists the changing of needles at every production.

The motor—a new type of unusual power— is peculiarly edapted for the purpose; gives evenly balanised revolutions to mandrel; and may be wound while playing without interference. Result-All of the music without mechanical
