I CATER TO PARTICULAR PEOPLE

Hot From the Oven

One of our rib roasts would tempt a stone to eat. Its fragrance acts like a tonic. And once you get your teeth into it you'll stop eating only when you feel no more.

Our Roast Beef

Good cold as well as hot. Fine for lunch and the sand especially good for sandwiches. Try the and you'll know we could justly praise it more.

Tuesday evening was the next to the last 25th anniversary of the B. H. S. club. Both sides worked hard and an unusually good program was rendered. The next club meeting will be held May 14. Soon after this the B. H. S. will give a program consisting of some of the best numbers given during all the club meetings to which outsiders will be invited. A collection will be taken to help defray the expenses of the losing side which will give the banquet.

The Relief Corps presented the school with the book "Centennial Birthday of Abraham Lincoln." We also understand that they are attempting to secure Patriotic Primers. The school wishes to express its appreciation for this kind interest and hopes that this co-operation between school and community may continue.
