SCHOOL NOTES.

(Written by B. H. S. students.)
Report cards were issued Monday.
The botany class will begin work preparatory to a test on circles.

The geometry class are receiving preparatory to a test on circles. Both sides of the B. H. S. club are hard at work preparing for the next week. It will be the last program after which the side having the least credits will give a banquet to the winning side. The spirit and enthusiasm among the members predicts the best program of the year.

A greater portion of the high school attended the district contest at Des Plaines last Friday. Another pennant will be added to the one won last year for Leah Meyer won first place for Harrington. She will take part in the county contest to be held at the Art Institute, Friday, May 10, where the other districts of Cook county will be represented.

The ball game between the first and second teams of the high school was played Wednesday. It proved an exciting game the score being 14 to 13 in favor of the second team.

The Demons Of The Swamp.
are mosquitoes. As they sting they put deadly malarial germs in the blood. They follow the light and the first of fever. The appetite fails and the strength falls; also malarial often comes on the way down the grade. But Electric Bitters kill and cast out the malarial germs from the blood; cure the fever, appetite and restore your strength. "After long suffering" wrote Wm. Stewart, of Louisiana, N. C. "I have been bothered by the malarial fever for many years, and I've had good health ever since." Buy for all malarial fever, the way down the grade. See at the Barrington Pharmacy.
