Perfect Plumbing
so far as modern knowledge goes, is our standard. It ought to be yours. Good plumbing means good health in the household. Doctors and druggists get rich off poor plumbing. Better pay a moderate sum to make your plumbing perfect. We guarantee you a good job and a handsome one. You'll not question our bill. You'd be ashamed to.

Empty Bags Represent Money.
Our customers are requested to return empty cement bags as soon as possible. The season is nearly closed and we are anxious to get these bags back to the manufacturer so that you and we may get proper credit. If they are allowed to lay around they are liable to get wet which makes them worthless. Attend to this at once and save money.

Ideals the Guiding Star.
Ideals are like stars; you will not succeed in touching them with your hands. But, like the seafaring man on deserts of water, you choose them as your guides, and following them reach your destiny.—Carl Schurz.

Whale Cast on Coast.
A whale, weighing five tons, was buried recently on the Berwickshire (Scotland) coast. The monster had evidently been run down by a steamer, and was cast up by the tide.
