"SUMMER BOARDERS" TO BE GIVEN AGAIN

The Altini Club Girls' Play Which Was Witnessed By Two Large Audiences Will Play to the Third One

SATURDAY EVENING IS THE TIME

And the Village Hall is the Place—The Proceeds Will Go to the Baptist Athletic Club

Our village of Barrington is attracting to many city people that whole aspect of the community has changed in the last five years, but we have really never been classed as a "summer resort" until Ephraim Higgins and his family decided to take summer boarders. You know, Uncle Eph had a mortgage on his farm, so his four or five daughters had to go to themselves pleasures this summer; they decided to help in paying of their indebtedness by taking city people to board on the farm near the west limits of town, that is to say, the west end of the town hall.

Their farm is one of the best, with a fine front porch yard, all palms, garden seats, vines, shading screens, flowers and everything to make a pleasant lounging place for northeastern city people; well placed advertisements brought them appreciative patronage and anyone who doesn't attend one of their lawn parties misses a treat.

They have only had two, one last Saturday night and one Monday night, but their time has been so profitable that other party committees are planning to have one next Saturday evening, June 5. Uncle Eph collects a small admission fee to the parties for the benefit of a girls' club made up of a Baptist church Sunday school class; these parties have been so profitable that Uncle Eph will help the Athletic club boys next time.

Can't you go Saturday night? Who is there? Of splendid people regularly and lots of others at the farm parties. They give a program at their parties, and it's also a good sight to see Mr. and Mrs. Higgins, their relatives, friends, boarders, and colored servants. I've heard too that a lot of new ones are going to sing or do something next Saturday night.

Bert Hanes and Mrs. Arnet Lines make up as the farmer and his wife and they are great; their daughters are Violet Ullrich, Ruth Galloway, Isabel Peck and Mrs. E. Smith; their servant is Harold Beifeld. Hanes' home name is for a coal.

Characters represented by the boarders were acted as well as professional people of the stage perform. Mrs. G. W. Spunner worked with enthusiasm in the rehearsals to develop the latent ability in each participant; but stated herself that she discovered so much talent that her work was a pleasure. Cues were taken promptly and there was lacking that flustering and hesitancy of the average amateur play.

No attempt will be made in this article to comment on the play and the lesser parts, excepting to say that in the opinion of the writer Mrs. Arnet Lines, Miss Violet Ullrich, Miss Jennie Lines, George Van Hagen, the three Hanes young people, Frances Pfleger, Miss Max Hoyer and George Haddock were splendid. Mrs. Spunner seems to have the right intuition in assigning parts, making the acting easier for the various players. The play was very good indeed; probably the best ever staged by local people.

Fourteen others appeared in the show and were all excellent in their parts; the costumes and make-up throughout were praised for realism and the amusement produced.

Vaudville sketches between acts and on the "party program" were truly a "sermon." Whoever would believe that quiet and dignified George Carmichael, Sr., would, as "Silas Stubbs," a "hick" from Pumpkin Corners, give a sketch equal in merit with well known vaudeville acts, and let us say, too. Mr. Carmichael, alone, was worth the price of admission. Another acted like the "old Harry," that is to say William Cameron in Scotch gear hurled George Hays' ladder, the world famous Scotch comedian, who at thought the real Harry was present.

Dr. Shearer laid aside his medicine and instruments long enough to dress as a little boy in pink blouse and yellow wig and to whistle beautifully. Very few have known before of this talent of this popular physician. Except George W. Spunner as a little boy violinist was a "sight for the gods" and when these four formed an orchestra the melody was touching. Miss Zella Mickey as a Japanese Geisha was very dainty and sweet in her singing and dancing.

Ask those who have seen the play

ROADSTER AUTO TURNED TURTLE

Two Popular Northwestern Engineers Ditched While Returning From Carry—One Hurt Seriously

Skilled railway engineers may be able to run steam engines most efficiently, but when it comes to operating an automobile, they are not so sure. George H. Dodge and Harry Gilbertson, popular Northwestern engineers, who are living at present at Mrs. Nellie Robertson's, were returning from visiting Mrs. Gilbertson at Cary last evening, June 2, in Mr. Dodge's car and were ditched at the Walnut street crossing of the Elgin, Joliet & Eastern railroad near the north limits of town.

Mr. Dodge thought he saw an engine about to reach the crossing just as the engine would attempt to cross. He says he tried the railway sign board which says "Stop Look Listen," but stopped too suddenly, swerving the car into a deep ditch at the side of the railroad. The car was turned over and Mr. Dodge was not hurt, but he was not so sure of his own strength.

Mr. Dodge was not hurt, but he was not so sure of his own strength. The accident happened at 8:30 and Dr. Shearer, who is living at Mrs. Gilbertson's, was called to the scene. Mr. Dodge was taken to the 10:30 train to North side Deaconess hospital and is under the care of Dr. E. Henderson.

Mr. Gilbertson lives in Cary and has been employed on the way freight for some time. He is a well known man in the community and has many friends in Barrington since stationed here about a year ago.

Private Gardens Molested. Flower hands are at large in this town and it might be made to suffer. What a contemptible person, or persons, such people must be who will enter private yards and steal whole plants or blossoms from those who have cultivated the flower gardens and loved the blooms. At first only north-side yards were despoiled, about 10 days ago, but since then south side residents are reporting losses.

President of the Village Board, A. W. Meyer, had many plants taken; Mrs. M. D. Hegan missed geraniums from flower boxes; William Brand's yard was robbed and others. Footprints in the Meyer yard indicated that a man was present and a woman with a small fox. If these night prowlers are young people who think it "fun," they had better cease, for the law doesn't excuse "fun" when it is stealing, too.

W. F. M. S. Adjourns. About forty ladies gathered at the home of Mrs. H. A. Hadden Tuesday afternoon for the meeting of the Woman's Foreign Mission society of the Methodist church. This is the last meeting before the summer vacation, the next regular meeting to be held September 7. The children's work for June was presented by Mrs. E. E. Smith and Mrs. Frank Hoyer. Miss Scott of Pittsburgh gave a helpful talk. A box of dolls for the Palauu school in China will be sent in July, each to cost 25 cents. Mrs. George Lytle will receive the money and the names of those willing to dress a doll.

College Festival. The annual college festival of Elmhurst college will be held next Sunday June 6 at Elmhurst. Services will be held in both German and English and music will be furnished by the college band.

Trains will leave from Northwestern station, Chicago, for Elmhurst at 9:30 a. m., 11:15 a. m. and 1 p. m. Round trip tickets 50 cents.

Members of St. Paul's church are all cordially invited to attend this festival.

Bank Stock Sell at \$135. There had been considerable trading in the stock of the First State Bank of Barrington during the past month. A number of sales have been made at \$135 per share. The stock cost \$120 a share when the bank was organized two years ago.

As an expression of their opinions of it. The one criticism existing is the small and inadequate hall.

A company of milkmaids with buckets and farm hand offered choral singing and marching movements, while half a dozen boys and Miss Joelle Hoyer, violinist, played pleasingly as an orchestra with Mrs. Lovell Bennett as the piano. Mrs. William Cameron was the pianist accompanying the special music in the play. The grand finale of all singing "Take me back to old Virginia" was a well chosen climax to the evening's fest.

WILSON - LOCKHART WEDDING - MONDAY

Daughter of Baptist Minister, George H. Lockhart, Became Wife of Dr. Todd J. Wilson of Michigan

At a quiet home ceremony at the Baptist parsonage, Monday afternoon, May 31, Miss Lorena May Lockhart, daughter of George H. Lockhart, pastor of the Baptist church, was married to Dr. Todd J. Wilson of Michigan. A life long friend of her father and Rev. George E. Lockhart of Beloit, Wisconsin, a brother, performed the simple wedding service. Little Miss Frances Miriam Lockhart, a niece, acted as ring-bearer.

Immediately after the wedding Dr. and Mrs. Wilson motored to Elgin and from there left by train for Chicago where they took a lake steamer for Michigan to visit relatives in Grand Rapids and several Michigan cities. A motor trip through northern Illinois and Wisconsin will also be taken by the happy couple.

Dr. Wilson is an honor graduate of the medical department of the University of Illinois and Mrs. Wilson is a former student of Kalamazoo, Michigan. Since the couple have two young sons from Boston her list of friends in the community has grown to be a long one and she has been active in the Baptist church work and choir.

Dr. Wilson is now doing special surgical work for the Michigan Mining company at Palmetto and Neenah and is planning in the fall to locate permanently in one of the cities of northern Michigan.

Personnel of Village Changing.

Decorations days always bring many former residents to the town to pay their respects to the burial place of relatives, to see old friends and to see the town. Many remark the many changes in the village physically and the hosts of new faces on the streets.

Two people who came here the same summer, 16 years ago, were recently visiting in the town. One of the people in the town at that time had died or moved away and a new half takes their place. Changes occur, of course, in all towns but here it has been remarkable how many have gone and come. Today it is hard to say "Barrington" without thinking of the people who are the Barringtonians. These have been raised here, no doubt. There are so many clubs, lodges, churches, interests and feuds to divide us and the little change to say "harmonious Barringtonians."

Hawthorne, an American writer, wrote "Times change and people change and it's better for our hearts if we change with them."

Roundout Man Killed by Tramp. Thomas Morrison, of Libertyville, a watchman employed by the Chicago, Milwaukee and St. Paul Railway company at Roundout, was attacked and slain, presumably by three tramps who had climbed from the depot at that place, early Sunday morning.

He stopped at the depot at 2 o'clock and three tramps were sleeping on the floor. He ordered them out and on their refusal to go was forced to throw them out at the time. He had a gun and walked down the track. Two boarders a man walking on the tracks came upon Morrison dead. His night stick was gone. So, also, was his revolver. There had been a sharp scuffle first and one of the box car, but had quick footprints showed three men had been hiding. A bullet had been fired into his head from behind.

School Festival Tomorrow.

Tomorrow (Friday) at Jeter Grove park, on the P. L. & N. W. railroad, the third annual school festival of division one will be held. The program in the morning will consist of graduation exercises for eighth grade pupils of the rural schools. E. J. Tobin will deliver the commencement address. At 1:30 a luncheon will be enjoyed followed by a time for sociability, after which the athletic contests will be held. A girls' ball team from Barrington will play the team from Arlington Heights. A large number from here are planning to attend.

Many Look Work At Hospitals.

For the first time in several years there are many more men available for work as hospital attendants in Illinois than are needed. Usually the supply runs short as summer approaches but now, the State Civil Service Commission says, it has a supply far in excess of the demand.

There are enough now on the lists for the Anna hospital to supply all its needs for male attendants for almost a year. The same situation exists at other places, particularly at Peoria and Kankakee.

CHRIS BECKTOLD HUNG SELF TO TREE SUNDAY

Man Went to the Woods Back of Evergreen Cemetery Sunday Morning And Was Found After Dinner

Sunday afternoon between 1 and 2 o'clock while Miss Edith Swank of the west end of town, in company with others, was hunting for flowers in the grove back of Evergreen cemetery, suddenly came in view of a man hanging from a tree, head down. She immediately returned to her home and Marshall Edward Peters was notified. He went at once to the scene and the body was cut down and taken to Blokes' undertaking establishment.

A search of his pockets revealed 20 cents, a few other small articles and a card of the Fraternal Order of Eagles to which lodge he belonged at Waukegan, Wisconsin. His name was Chris Becktold and he was 45 years, one month and two days old and was not married.

A telegram to the secretary of the lodge was answered and informed the local authorities to notify Mrs. A. Walters of Grand Rapids, Michigan, a sister. She in company with another sister, Mrs. Henry Krump, started at once for the village and arrived Tuesday morning.

The inquest was held Monday morning by Deputy Coroner Webster of Cook county. It developed that the man was seen walking south along the Elgin, Joliet & Eastern railway tracks and entered the woods at about 9 o'clock. He went to a small sapling, over which a tree grows and tying the rope jumped off the small back. When found he was in an upright position with his feet touching ground.

Becktold was born in Germany but had been in America about 25 years. He was a cabinet maker by trade. No note or letter was left by him and the cause of his action is not known. He had no friends or relatives here and was a stranger in the community.

Barial was made Tuesday afternoon in Evergreen cemetery.

G. A. R. Annual Encampment.

Hundreds of veterans of the civil war and members of other patriotic organizations of the state gathered at Moline Tuesday for the 49th annual encampment of the Grand Army of the Republic Illinois division. The feature of the encampment was the parade on Wednesday viewed by Governor Edward Dineen, United States Lieutenant Colonel Burr, commandant at Rock Island and several national commanders of the Grand Army and Bishop Fellows, commander of the department of Illinois.

Mr. and Mrs. H. H. Hubbard of Limits street left here Tuesday; Mr. Hubbard is a member of Old Glory Post, Chicago. Delegates from the Women's Relief Corps of Barrington are Mrs. Adelle Liscand and Mrs. William Grunpa.

New Flag Pole Raised.

The iron flag pole, about 70 feet high, purchased by the village trustees, was erected at the extreme southwest corner of the depot park early Monday morning by Henry Brand and assistants and was in readiness at 8 o'clock for the raising of the large flag of the G. A. R. which waved over the procession of the depot park. The Women's Relief Corps donated \$25 to the purchase price.

The village wooden flag staff once stood on this same site many years ago, but was changed to the north end of Green avenue where it was struck by lightning two years ago.

Ask For Justice.

The Wells-Fargo, the American and the Adams Express companies appeared before the Interstate Commerce commission in Washington this week in a petition for increased rates. The express representatives complain to the commission that the reductions which have been made since February, 1914, are too low, as shown by the heavy falling off in the net earnings of all the companies during the last eight months.

June 14 is Flag Day.

Monday, June 14, has been designated by Governor Dineen in an official proclamation as Flag Day in Illinois. The executive organ a general display of the national colors on that day. Programs appropriate also are recommended by the governor. Flag day observance is one of Illinois' established customs.

Anti-Cigarette Day.

By appointment of the International Sunday School association the second observance Sunday of each year is anti-cigarette day in the Sunday schools. This year June 20 will be observed as anti-cigarette day and the local Sunday schools will have appropriate programs.

REDMOND ASSES VOTERS' SUPPORT

Married to Barrington Girl and Has a Summer Home at Lake Zurich—A County Resident 25 Years.

Andrew J. Redmond, one of the 15 candidates for Judge of the Circuit Court of Cook county, asks the support of the voters, and especially for those of Barrington township of which he was formerly a resident. Many people here remember him and he has lived in the county about 25 years. His wife was Miss Emma Robertson, a daughter of John Robertson of Barrington and they visit here frequently, as well as keeping a summer home at Lake Zurich.

Mr. Redmond is nearly 51 years old and has a name as a prominent Chicago lawyer of power and sound judgment. He is a graduate of Northwestern university Law school and has the degree of LL. B.; he had had experience as a school teacher with Normal School training previously.

He has been village attorney for 13 villages of Cook and Lake counties, including Barrington and Waukegan and is now village attorney of Lake Zurich. He is a man of excellent habits and diplomatic administration of the law. He gets things done. He is a just man.

Lodges To Observe Memorial Day.

The annual observance of Memorial day for deceased members will be held by the Modern Woodmen of America, Barrington Camp, No. 899, on Sunday, June 6. The lodge will attend Memorial services at the Methodist church at eleven o'clock that morning where Dr. W. J. Liberton will speak to them. In the afternoon this lodge will reassemble at Woodman hall at half past seven to Evergreen cemetery to decorate graves; the women's auxiliary organization of this lodge, the Barrington Royal Neighbors, Mayflower Camp, No. 2582, and Autumn Leaf Rebekahs, No. 628, will join in these exercises and also members of the Barrington Chapter of Honor No. 378. Lodge Memorial Sunday is one of the principal annual events of the town.

NEIGHBORHOOD ITEMS

The Hebron Tribune has recently installed a model 15 Morganthaler Illinois type.

Dr. Norman Yampolsky will locate at Crystal Lake, the first woman physician in McHenry county.

A widow screen factory wants to locate at Woodstock. Representatives of the company visited Woodstock one day last week and were highly impressed with the location as well as the old brass foundry building.

Six Dundee churches are to receive \$1,000 each through the death of Duncan Forbes. Mr. Forbes was heavily interested in the Illinois Iron and Bolt company at Carpentersville and his wealth is estimated at \$100,000.

Changes in the specifications for guns and shells being used by European nations in the war have caused officials of the Oliver Typewriter company at Woodstock to cancel arrangements for running their plant 24 hours a day turning out shrapnel shells. Two weeks ago it was believed that a million dollar contract for shrapnel shells for one of the warring nations would be signed immediately. Thursday John W. Wither, superintendent of the plant, announced that negotiations were off for the present, and that the plant is turning only six days a week with no night work.

Real Estate Transfer.

The following transfers in real estate were recently recorded for this vicinity.

NATURE FAVORED THE WAR VETERANS

After Many Days of Rain Sunday and Monday Were Two Days of Sunshine and Bright Weather.

SOME OBJECTIONS TO FUN OF DAY

Think That Memorial Day Should Be Devoted to Sad Memories Instead of Games.

Nature honored the living veterans of the Civil War on the day upon which they honor their dead comrades. After weeks of cold and rainy days, the sun came out for Sunday and the following day which was Decoration day, May 31, 1915. Keener interest was taken in the Memorial exercises of the Grand Army of the Republic throughout the country this year than in any year before for a half dozen years past, and there are various reasons for the renewed interest. One was the fine weather but that is not the serious and more thoughtful cause.

Our changing affairs have become more important to us, since the awful carnage and hatred caused by the European war. If younger generations were growing somewhat indifferent to the memories of our country they have been helped in their forgotten duty and made to think of what has gone before and what may happen. If great vigilance does not prevail, Decoration Day has been set aside as a memorial to the men who died for their country in the war which freed the slaves. War is terrible, but it is better to be just, at least, men who die heroically are to be revered. However the day has become almost a holiday for fun, not for memorial, and the Commander of the local post feels that entertainments and ball games are unbecoming on that day and lack reverence for the veterans and their day of sad recollections.

Many homes were decorated with flags on Sunday. An act to be praised for the spirit back of it, but May 30 this year was the day of the day and May 31 was G. A. R. Memorial day.

Reminiscence acts were begun by General Thomas Sweeney Post, No. 275, Grand Army of the Republic, on Sunday when committee went to the smaller cemeteries to decorate graves; there were four cemeteries in this city: G. A. R. cemetery at Cary; six at White; fourteen at Barrington Center where that afternoon a service was held with a talk given by the Reverend J. Hoyer of the Salem church and too high school students with Post Smith in charge, playing. About 20 ladies of the Women's Relief Corps went to this cemetery with the spiders.

Sunday morning the Post attended the [Baptist] service to hear the address of Reverend George Lockhart. Scarcely the full membership of the Women's Relief Corps in white dresses, with their Corps banners and American flags were also there. The splendid choir sang the regular service and also a special anthem for the occasion. Patriotic songs were played by the organist. H. H. Hubbard called the roll, but there were few responses.

The procession which formed down town at ten o'clock Monday morning to march to Evergreen cemetery was a pretty sight. It was made up of twelve soldiers in army blue marched. The local Corps numbers sixty members at present but are all over the States. The Barrington High school band, directed by Newton Plaggo marched first, playing an appropriate funeral march; next in line came Harry Nordmeier, soldier, bearing the big flag and after him ten more veterans, seven on foot and four in an automobile, unable to march; those walking were: Commander Fred Lageschick, Robert Parcell, Sanford Peck, Robert Reynolds, John Myers, Henry Reuter all of Barrington and Frank Applebee of Bruce, Wisconsin; those riding were Eli Abbe of Irving Park, John Applebee of Elgin, Mrs. Helen (Mrs. Plaggo) of View and Samuel Clark of Barrington.

Fire Shovel and pail carts filled with children and covered with flags and boys' bicycle corps of about a dozen, preceded some 200 marching school children with the teachers of our school. The carriers of bounties and flags and the little girls were dressed in white. In the line of marchers was also the Relief Corps ladies in white dresses, they never fail to add the G. A. R. men in every way.

At the cemetery, the ceremony of decoration was performed. Large schools led a short service near the soldiers' monument in the new section. The attendance at this service was larger than a year ago, in the crowd were seen the many new residents of this community who join in local affairs with admirable interest.

BUT ONLY A DREAM.

During the summer months millions upon millions of city people will rush out to the country for their two weeks of vacation. They will work hard at play, spend their money, and go home dead tired to face another year of hard work.

But suppose they varied the procedure for one summer as an experiment. Suppose each vacationist spent the two weeks in some farm where labor is scarce, and men are hard to get, and crops are light or wasted because there are not enough men to till or harvest them.

A couple of weeks of moderate work on a farm would be vastly more beneficial to health than the same period spent in leaching around doing nothing. And millions of dollars of additional produce would be added to the store in the warehouses of the country, the wealth of the land would be enhanced, brains and muscle would be hardened, brains would become clarified, and humanity would be elevated.

Of course it is only a dream and will never be realized—but then dreams are often sweeter than the reality.

WAR IN THE HOUSE OF GOD.

We often wonder why there is so much bitter antagonism among the several religious denominations when the avowed purpose of each is the saving of human souls.

The rivalry is often so keen and the recriminations so bitter that an outsider considers it wise to let them alone rather than become involved in a religious neighborhood row.

Surely there should be some means whereby the sincere followers of the Nazarene could dwell in harmony and labor side by side in behalf of the Christian enlightenment, with the ultimate result that the world would become cleaner, and purer, and better in every way.

Why carry the war into the house of God, where peace alone should dwell?

It is the easiest thing in the world for this community to become exceedingly prosperous in every way. Produce to the limit, sell all of the surplus to outsiders, buy goods from foreign merchants, and keep surplus funds working in increasing the yearly output. It's easy to do and ought to be done.

This town needs one hundred men of intelligence and determination to start a push, and keep pushing a movement to develop both town and country. We offer many opportunities for advancement; if opportunity and seeker can be brought face to face.

Are you a community booster? If not, your loss is greater than that of the community.

Neuralgia Pains Stopped.
You don't need to suffer those agonizing nerve pains in the face, head, arm, shoulders, chest and back. Just apply a few drops of soothing Solfat. Relief is quick in a few minutes. You will get such relief and comfort. Life and the world will look brighter. Get a bottle today. 3 ounces for 25c at all drug stores. Penetrates without rubbing.

Paid Claim Promptly.
The Woodmen Accident association has paid my claim for \$33.45 for loss of time on account of an accident in which I sprained my wrist. The company is reliable and prompt in the settlement of claims. ARTHUR CATTON.

Thirty-Six For 25 Cents.
Dr. King's New Life Pills are now supplied in well-colored glass bottles containing 36 sugar-coated white pills for 25c. One pill with a glass of water before retiring is an average dose. Easy and pleasant to take. Effective and positive in results. Cheap and economical to use. Get a bottle today take a dose tonight—your constipation will be relieved in the morning. 36 for 25c, at all drug stores.

Expeditions Seldom a Loss.
It has happened in Lower California that a pearl-fishing expedition fitted out at an expense of over \$10,000 returned with pearls not worth \$1,000 in all, but the mother-of-pearl gathered nearly pays all expenses in such cases provided no boat has been lost.

SCHOOL NOTES.

Don't miss the school festival at Door Grove park Friday, June 4.

Room two pupils are practicing folk dancing for the June festival.

Those of room three have a new glass aquarium containing five turtles.

Julia Otis of room three has been absent the last week because of a bad cold but has returned.

Commencement time and close of school is near. The finishing class of nine will make gratulating exercises interesting.

There was no school Monday, Decoration day, and a large number of the pupils marched in the G. A. R. parade to the cemetery.

Frank and Clarence Schwemm of room three have been absent the past week because they are quarantined on account of diphtheria. They were released Monday.

Friday afternoon the high school was addressed by members of the G. A. R. including Rev. Libberton. The program consisted of readings by the grade pupils and the Junior Glee club.

The Barrington High School band went to Bartlett Tuesday to play at one of the June Cook County School festivals held there that day. Sam Landwer, who plays with the boys' band sometimes was in charge of them.

Report of attendance and punctuality for the past week. To compare the percentage, one tardiness is considered equivalent to two days absence.

MEMORIAL SERVICES WERE FINE

Continued from first page.

The parade broke ranks down at high noon and the G. A. R. were the guests of honor in the R. O. C. at a dinner of an excellent menu, another triumph to the long record of fine meals prepared by these worthy women. Many other guests were invited and about 130 arrived. Members of the Corps who live away from Barrington visited here for this annual event.

A service in the Salem church in the early afternoon for the soldiers was very much enjoyed by them and others in such a crowd that the church was completely filled. Reverend Joshua Smith, a retired minister who is a superintendent of a children's playground in Chicago spoke to "The Boys" and they liked him and his talk very much. It is something of a paradox and also one who can speak pathetically so that he kept "The Boys" laughing and crying.

The church choir sang and the soloists were Miss Myrtle Plagge and W. J. Carver. The band was present, too. Rev. Smith gave a Memorial Day speech here 25 years ago but says he would not know the town now.

Bell System

Americans formerly traveled long distances in a four horse stage coach—and liked it; they had to do both—there were no better means of travel available. But now "Broadway," "Pioneer," "20th Century," "Wolverine" and "Palm Beach" "limiteds" can scarce go fast enough to get travelers to their destinations.

Four party telephone service, like the old fashioned stage coach, is far better than no telephone service at all; but telephone users are progressive; they want improvement in speed, availability and dependableness—a clear track, prompt service and continuous readiness.

It costs a little more to use the limited trains, so it costs a little more to get direct, no-delay, single-line telephone service—but the value's there.

Let our Commercial representative call upon you.

GERMANY MAKES FURTHER INQUIRY: REPLY IS EVASIVE

Answer to President Wilson's Message Received in Washington From Gerard.

NEW ISSUE IS OPENED

Berlin Government Regrets Attacks on Neutral Vessels—Holds Luster Lusitania Was Cruiser—Asks U. S. to Investigate.

Washington, May 31.—The German reply to the American note sent after the sinking of the Lusitania was received in Washington last night from Ambassador Gerard at Berlin and the public here.

The following is the text of the German note:

The undersigned has the honor to submit to Ambassador Gerard the following answer to the communication of May 16, regarding the injury to American interests through German submarine warfare.

The imperial government has subjected the communication of the American government to a thorough investigation. It entitles also a reply to the American note, and finally may in clearing up a possible misunderstanding, which may have arisen in the relations between the two governments through the events mentioned by the American government.

Regarding firstly, the cases of the American steamers, the Lusitania and the Sussex, the American embassy has already been informed that the German government has no intention of admitting neutral ships in the zone, which are guilty of no hostile acts, to attacks by a submarine or submarines of aviators. On the contrary, the German forces have repeatedly been instructed not specifically to avoid attacks on such ships.

It is neutral ships in recent months have suffered through the German submarine warfare, owing to mistaken identification. It is a question only of quite isolated and exceptional cases, which can be attributed to the British government's abuse of flag, to which the American embassy has already been informed that the German government has no intention of admitting neutral ships in the zone, which are guilty of no hostile acts, to attacks by a submarine or submarines of aviators. On the contrary, the German forces have repeatedly been instructed not specifically to avoid attacks on such ships.

"If neutral ships in recent months have suffered through the German submarine warfare, owing to mistaken identification. It is a question only of quite isolated and exceptional cases, which can be attributed to the British government's abuse of flag, to which the American embassy has already been informed that the German government has no intention of admitting neutral ships in the zone, which are guilty of no hostile acts, to attacks by a submarine or submarines of aviators. On the contrary, the German forces have repeatedly been instructed not specifically to avoid attacks on such ships.

"The German government, in all cases in which it has been proved by its investigation that a neutral ship, not itself at fault, was damaged under the circumstances, and if justified by conditions, has offered to compensate the injured party."

"The case of the Cunliffe and the Guilford will be treated on the same principles. An investigation of both cases is in progress, the result of which will be communicated to the embassy. The investigation can if necessary be supplemented by international courts on the international commission of inquiry, as provided by article III of The Hague agreement of October 18, 1907."

"When shipping the British steamer Paluba, the commander of the German submarine had the intention of allowing the passengers and crew a safe opportunity for a safe escape. Only when the master did not obey the order to leave to, but fled and summoned help by rocket signals, did the German commander order the crew and passengers by machine gun and megaphone to leave the ship within ten minutes. He actually allowed them 23 minutes time and freed the torpedo only when supplies were exhausted to the assistance of the Paluba."

Regarding the loss of life by the sinking of the British passenger steamer Lusitania, the German government has already expressed to neutral governments concerned, its deep regret that citizens of their state had their lives lost."

"On this occasion the imperial government, however, cannot escape the impression that certain important facts having a direct bearing on the sinking of the Lusitania may have escaped the attention of the American government."

In the interest of clear and complete understanding, which is the aim of both governments, the imperial government considers it first necessary to correct itself the information accessible to both governments about the facts of the case is complete and in accord."

Cable Lusitania a Cruiser. The government of the United States proceeds on the assumption that the Lusitania could be regarded as an ordinary unarmed merchantman. The imperial government allows itself in this connection to point out that the Lusitania was one of the largest and fastest British merchant ships, built with government funds as an auxiliary cruiser and carried offensively as much in the navy list as in the British admiralty."

It is further known to the imperial government from trustworthy reports from its agents and neutral passengers that for a considerable time practically all the more valuable British merchantmen have been equipped with cannon and ammunition and other weapons and manned with persons who have been specially trained in service guns. The Lusitania, too, according to information received here, had cannon aboard which were mounted and concealed below decks. To direct the particular attention of the American government to the fact that the British admiralty, in a confidential instruction issued in February, 1915, recommended its mercantile shipping to seek protection under neutral flags and distinguishing marks, but also while thus disguised, to attack German submarines by ramming. As a special incitation to merchantmen to destroy submarines, the British government also offered high prizes and has already paid such rewards."

Says Lister Carried War Material. The imperial government in view of these facts is naturally known to it is unable to regard British merchantmen in the zone of naval operations specified by the admiralty staff of the German navy as "unarmed." German commanders consequently are no longer able to observe the customary regulations of the prize law, which German navy is "unarmed." German commanders consequently are no longer able to observe the customary regulations of the prize law, which German navy is "unarmed."

"Finally, the imperial government must point out particularly that the Lusitania on its last trip, as on earlier occasions, carried Canadian troops and war material, including no less than 5,400 cases of ammunition intended for the destruction of brave German soldiers who are fulfilling their duty with self-sacrifice and devotion in the fatherland's service."

"The German government believes it was acting in justified self-defense in the use of means of warfare at its disposal to protect the lives of its soldiers by destroying ammunition for the enemy."

"The British shipping company must have been aware of the danger to which the passengers aboard the Lusitania were exposed under these conditions. It is therefore not surprising that, notwithstanding this, attempted deliberately to use the lives of American citizens as protection for ammunition."

RIOTS IN LONDON

CROWDS BREAK OUT IN ANTI-GERMAN RIOTING AFTER ZEPPELIN ATTACK.

FOUR KILLED BY BOMBS

Ninety Missiles Dropped by Teuton Flyers Injure Many and Start Numerous Fires, Authorities Report—Berlin Says Act Is Reprisal.

London, June 3.—As a result of the Zeppelin raid the anti-German rioting broke out again in London on Tuesday.

When it was officially announced that German flyers had dropped 90 bombs, killing four persons, injuring others and starting many fires in the attack, angry mobs surrounded the premises of persons suspected of being of German nationality in Spoken, and attacked the shops which were smashed in the previous rioting and had since been barricaded.

In one case the occupants died when the mob approached and were pursued by the infuriated crowd.

A special constabulary has been called out in an attempt to check the outbreak of rioting in London, which has proved more efficacious than any other combination of drugs over compounded, and today Lydia E. Pinkham's Vegetable Compound is recognized from coast to coast as the standard remedy for women's ills.

The statement of the authorities on the Zeppelin raid reads: Late Monday night about ninety bombs, mostly of an incendiary character, were dropped from hostile aircraft in various localities not far distant from each other. A number of fires were kindled, and were large enough to require the services of fire engines broke out. All of them were promptly and effectively dealt with. The fires all were caused by the incendiary bombs released by the raid.

"No public building was injured, but a number of private premises were damaged by fire or water."

The number of casualties is small, so far as has at present been ascertained. One infant, one boy, one man and one woman were killed, and another woman was so seriously injured that her life is in danger.

"A few other private citizens were seriously injured, but the precise number has not yet been ascertained."

Berlin, June 3.—The official report of the Zeppelin attack on London follows: As a reprisal for the bombardment of the open towns of London, we threw numerous bombs on Monday night on wharves and docks of London. Enemy airmen bombarded docks, damaging some houses without causing any other injury."

PLANS COALITION IN MEXICO U. S. Will Urge Best Elements to Join Forces to Restore Internal Peace—May Grant Recognition.

Washington, June 3.—President Wilson and his cabinet on Tuesday adopted a new policy to be pursued by the United States toward Mexico. It has for its object the restoration of order and the relief of millions of noncombatants from the devastations of Mexico's military elements, which have brought about conditions regarded as intolerable.

The president held to the cabinet a plan which is to be communicated to the leaders of all Mexican factions, serving notice that unless they themselves compose the situation some other course will be taken by the United States to bring about the establishment of a stable government in the republic. This statement was approved after a long discussion. It will be made public later.

The administration's present purpose is to move moral support to the United States to bring about the establishment of a stable government in the republic. This statement was approved after a long discussion. It will be made public later.

These include: Storming of three forts before Premexy, Russian capture of Radosin in Poland. Capture of the city of Lemberg and of 24,700 prisoners from the Niem in May. Total prisoners taken on eastern front, 10,582.

An official German statement here tells of the successful storming of forts 10-A, 11-A and 12 west of Dunikowicz, which constitute part of the outer defense of Przemyel and of the capture of 1,400 men, together with eighteen heavy and five light cannon.

Victory Won by the Wehr. Washington, June 3.—The conviction of a Louisville (O.) liquor dealer for carrying on a still in Kentucky, in violation of the law, was not put by the Supreme court as an improper interference with interstate commerce.

5,606,832 In Gotham, Claim. New York, June 3.—Enumerators began a decennial census of the population of the state. It was estimated that the census would show a total of 10,200,000. The population of New York city was estimated at 5,606,832.

MRS. LYON'S ACHES AND PAINS

Have All Gone Since Taking Lydia E. Pinkham's Vegetable Compound.

Terre Hill, Pa. "I readily permit me to give you my testimonial in favor of Lydia E. Pinkham's Vegetable Compound. When I first began taking it I felt like a woman who had no appetite. Since I have taken Lydia E. Pinkham's Vegetable Compound the aches and pains are all gone and I feel like a new woman. I can praise your medicine too highly."—Mrs. Augustus Lyons, Terre Hill, Pa.

It is true that nature and a woman's work has produced the greatest remedy for women's ills that the world has ever known. From its roots and herbs of the field, Lydia E. Pinkham, forty years ago, gave to womanhood a remedy for all the troubles which have proved more efficacious than any other combination of drugs over compounded, and today Lydia E. Pinkham's Vegetable Compound is recognized from coast to coast as the standard remedy for women's ills.

In the Pinkham Laboratory at Lynn, Mass., are files containing hundreds of thousands of letters from women seeking health—many of them openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound. And in some cases it has saved them from surgical operations.

SEDIMENT CARRIED TO SEA Figures Show an Almost Incredible Amount Transported by China's Mighty River.

Some estimates of the discharge of the Yangtze-kiang river and of the amount of sediment it carries have recently been published by Prof. Konrad Kellbach of the Berlin School of Mines, who visited the river in September, 1913. He found the average rate was unusually high. From measurements of depth made at "Nanking, Hankow and Canton, and estimates of width and velocity, this authority concludes that the average annual amount of sediment carried by the Yangtze is 1,750,000,000 cubic feet per second. Filtration measurements made at the mouth, near Wuhu, taken in connection with the annual average for discharge indicate an annual transport of sediment at the average rate of 37,500 pounds per second, or a total of 584,000,000 tons per annum.

Rubber. "You like to look after the passing girls in a grand old way. That's a pity nature didn't give you eyes in the back of your head."

"Oh, I don't know," responded the hardened wretch, "but I have had answers all purposes."—Louisville Courier-Journal.

Emotional Vegetation. "Here is a scientist who says that vegetables have emotions."

"If that's the case, those garden seeds I planted last spring ought to have been sublimed of themselves."

CLEAR-HEADED. Head Bookkeeper Must Be Reliable.

The chief bookkeeper in a large business house in one of our great Western cities speaks of the harm coffee and sugar can do to the body.

"My wife and I drank our first cup of Postum a little over two years ago, and we have used it ever since, to the entire exclusion of both tea and coffee. It happened in this way:—

"I had an attack of pneumonia, which left me with dyspepsia, or neuritis of the stomach, and my 'cup of cheer' had always been coffee or tea, but I became convinced, after a time, that they aggravated my stomach trouble. I tried to change the matter to my good old Postum and suggested that I give Postum a trial."

"Next day it came, and we liked it so much that we will never change back for I am a Postum man today and have used no medicine."

"My work as chief bookkeeper in our city branch house here is of a very continuing nature. During my coffee drinking days I was subject to nervousness and the 'blues' in addition to my sick spells. These have left me since I have taken Postum and I can conscientiously recommend it to those whose work confines them to long hours of severe mental exertion."

Name given by Postum Co. Battle Creek, Mich. Read The Road to Wellbeing in 10 days.

Postum comes in two forms: Postum Cereal—the original form—must be well boiled. 15c and 25c packages.

Instant Postum—a soluble powder—dissolves quickly in hot water, and, with cream and sugar, makes a delicious beverage instantly. 30c and 50c tins.

WAUCONDA.

Mrs. Sarah Anderson is reported not so well as she was last week.

Mrs. Lilan Jayne is spending the week with Waukegan friends.

Mrs. Delos Ames and son, Victor Burton spent last week with relatives here.

Francis Black and the Prior children are recovering from an attack of measles.

Mr. and Mrs. Prosty spent Monday with the latter's parents, Mr. and Mrs. G. E. Wheelock.

Mrs. Harvey Dixon returned Sunday from a visit with Mr. and Mrs. Robert Johnson at Cary.

Mrs. Lizzie Pratt and daughter, May, visited the first of the week with Mrs. Merritt Clark.

Mr. Smith, a former teacher here spent the first of the week with the Case family at Roseville.

Mr. and Mrs. John Davis, Mrs. Gardiner and Mrs. Harry Ford called on relatives here Monday.

Mrs. Will Johnson and son of Rockford were recent visitors at the home of Mr. and Mrs. Frank Pearson.

Memorial Day passed with appropriate exercises as usual in Wauconda, where it is always made a day of memorial observance by all our people, old and young.

Mr. and Mrs. Burnett and family now of Berkeley, California, are to come back to make their home in Wauconda. Mrs. Burnett is a daughter of Peter Nimsgearn and the family will make his house their home, and will try, also, to make it more homelike for Mr. Nimsgearn. Friends of Mr. Burnett will be pleased to have her and her family again among us.

Henry Matman paid the usual Memorial day visit to the grave of his departed wife in Fremont cemetery this week. Mrs. Matman has been dead these many years, but in the heart of her husband and of her children her memory is still fresh with proper respect for the useful and affectionate life she lived till called from life's duties. We lived beside the family for years, and the sentiment with which Mr. Matman recalls, almost daily, the death of her whom he mourns as sincerely now as when first he felt her loss is, to us, beautiful to observe.

Among the Decoration Day visitors we noted the following: Mr. and Mrs. Frank Harrison at T. B. Seymour's; Mrs. Jessie Grover and Daisy at A. North's; Louis Lusk and family at Mrs. Clough's; Clyde Golding and family, Dr. Golding and family at Hilary Golding's; Mr. Letzler at B. S. Hammond's; Robert Junion and family at C. L. Pratt's; Mr. and Mrs. Ed. Meyer, Mrs. Farnsworth and Wilma and Ilene Kent at R. C. Kent's; A. Jacobus and family and William Hlek at V. D. Kimball's; Roy Hau, Mr. Hau, Miss Mary Underwood and the children of E. Hau of Unity; Ben J. Juch of Area; Will Shaw and family and Miss Phyllis Paddeke at J. B. Turbull's and Miss Ruth Kimberly at W. Lamphere's.

LAKE ZURICH

Russel Blankenburg spent Sunday at his home here.

Mrs. James Sotzinger was a Chicago visitor Tuesday.

Mrs. Dora Blankenburg was a Chicago visitor Monday.

Mrs. Edith Weaver is visiting her parents at Waukegan.

Mrs. William Hickness was a Palatine caller Wednesday.

Miss Ella Fedler was a Lake Zurich caller Monday evening.

Charles Sop and family of Palatine were callers here Sunday.

Miss Ada Prehm spent Saturday and Sunday with her parents.

Miss Myrtle Hickness visited friends in Palatine Sunday evening.

Mrs. James Dymond spent the week end with relatives in Chicago.

Misses Mamie Hokeneyer and Clara Prehm visited at Palatine Sunday.

Daniel McGartt left Saturday for his home in Green Bay, Wisconsin.

John Pink and John Howe made a business trip to Chicago Thursday.

The summer schedule of the Wauconda railroad went into effect Sunday.

The dance given at Oak Park pavilion Saturday night was well attended.

A dance will be given Saturday evening, June 5, at the Lake Shore pavilion.

Mrs. Clark and two children are visiting at the home of Mrs. H. Sundmader.

Mrs. Fred Doolittle of Waukegan is visiting at the home of Mrs. Roland Beutler.

Mrs. Paul Schallensamer and son, Mark, were Chicago visitors Thursday and Friday.

Miss Norma Blankenburg spent a week at the home of Mrs. Dora Blankenburg here.

Miss Alice Tonne and Carl Tonne are spending their vacation on their grandmother's farm.

Mrs. William Tank was in Chicago Tuesday.

August Froelich was a Chicago visitor Tuesday.

Mr. and Mrs. James Sotzinger attended the Memorial exercises at Barrington Monday.

The Omega Camp girls of Evanston are spending their vacation here in Mr. Leonard's cottage.

QUENTIN'S CORNERS.

Arthur Catlow is at Dundee learning house moving.

Fred Kropp is improving the buildings on his farm.

Mrs. Nina Schmidt called on Mrs. Arthur Catlow Monday.

August Grever has been baling and selling considerable hay.

Surveyors have been working near here taking measurements.

Jacob Sturm and Fred Fedler hauled livestock to Lake Zurich Monday.

Herman Foreart of Chicago visited friends here over Decoration day.

Mrs. Mary Toma visited her sister, Mrs. Smith, at Barrington last Sunday.

SHORT LOCAL ITEMS.

Mrs. William Homuth of Station street and Miss Genevieve Pomeroy of South Hawley street left this morning for Van Horn, Iowa, to be gone about ten days. They will attend the commencement at the high school there when a cousin of Mr. Homuth, Miss Joy Riecke, will be graduated. Miss Riecke is also a distant relative of Miss Pomeroy.

Mr. and Mrs. J. W. Hall of Philadelphia, Pennsylvania, will arrive today after visiting Mr. Hall's sister, Mrs. O. B. H. Graham of the Methodist parsonage, for several weeks. They came west to attend the Commencement exercises of the Hahnemann Medical college, Chicago from which their son, Dr. Snowden Hall, was graduated last Thursday evening. Mrs. Graham and son, Charles Graham of the Hammond farm, also attended.

The prize cattle worth \$4,000,000, which have been in quarantine since the dairy show in Chicago last October were released by the state live stock commission last Friday. They were all pedigreed stock which had been afflicted with foot and mouth disease. Illinois animals may now be shipped home but action is awaited from the United States bureau of animal industry before any may be shipped out of the state. D. E. Hager of Algonquin is the owner of several. The cost of curing and saving these animals has been enormous.

Veterans Extend Thanks.

Commander Fred Jaguschulte, speaking for Thomas W. Sweeney Post, No. 255 G. A. R., thanks everyone who assisted the old soldiers on their annual Decoration day.

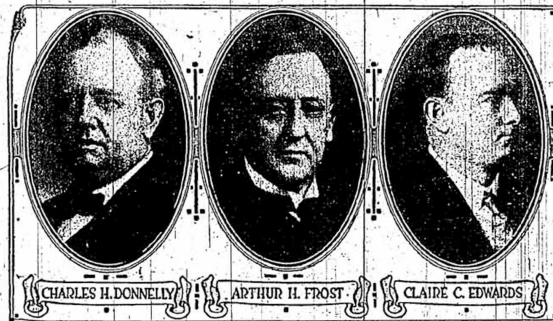

Dr. Barber, optician and oculometrist, is in Barrington every two weeks at Dr. Shearer's office. Dr. Barber has had years of experience in fitting glasses and is considered one of the best. His next date is June 8. If you are troubled with nervousness or headache have him examine your eyes.
