### U.S.—Teutonic War News

Provost Marshal General Crowle informed at Washington that the movement of men and supplies to the front selected in the first draft will begin on July 1, and will continue for a period of five days. This will complete the operation of the first draft, at which time all men will have been called for a period of two weeks.

Germany has adopted exact and heretofore methods of treatment toward American prisoners of war, and to make them deserve military internment, according to what is apparently true, the German army, headquarters, in France. An order to German troops directs that they shall not allow any man in a iron cage for four days without food or water to make them "subdue troops."

Secretary of War, Mr. Myrick, announced at Washington that American forces have suffered taken over a second draft of men, and that the announcement followed the publication of a dispatch from the American expeditionary force, which said that the latest roll on the American trenches in France was 1,000,000, in which two Americans were killed, 100 wounded, and 1,000 were made prisoners.

**Washington.** The Inter-state commerce commission at Washington issued a formal protest against a proposal of increased railroad rates on petroleum products to Wisconsin, Minnesota, Upper Michigan, Iowa, Missouri, Dakota and Iowa, to Interstate points.

General George Rogers reported to Secretary Baker at Washington that a report of the German government to the effect that Germany has the deficiency in that branch has been made up.

Secretary Baker, in his annual statement at Washington that the navy is assured of enough transports to take 100,000 American troops in France early this year, as was stated by Mr. Reed, was asked if he had any news of the anti-military committee.

President Wilson issued a proclamation at Washington, stating that the navy is assured of enough transports to take 100,000 American troops in France early this year, as was stated by Mr. Reed, was asked if he had any news of the anti-military committee.

## FOLLOW DIRECTIONS AND HELP WIN WAR

You should give your life for your country, and especially for an American whose patriotism entitles him to a place in the front rank. When the band plays, you should stand up and sing. You want to be a good soldier.

Are you willing to do what your government asks? Are you willing to do what your government asks? Are you willing to do what your government asks? Are you willing to do what your government asks?

Are you so considerately that you can afford to not do what your government asks? Are you so considerately that you can afford to eat what your government asks?

Are you saving now of your slender means so you possibly can afford to not do what your government asks?
