WOMEN'S TROUBLES

The tortures and discomforts of the last, lame and aching back, swollen feet, the burning and itching of the face, as a rule have their origin in kidney trouble. These general symptoms of kidney and bladder ailments are well known—and are the remedy.

Next time you feel a twinge of pain in the back or aches in the limbs, aches, indigestion, insomnia, irritation of the eyes or pain in the loins and lower abdomen, you are suffering from GOLD MEDAL, Mearns Oil Capsules.

These capsules are the sure remedy for kidney trouble and ailed back. They are the only remedy for hundreds of years. It does the work. Pains and troubles vanish and new life is brought back to the sufferer by their use. When completely restored to health, you will find that the capsules are worth two each day.

GOLD MEDAL, Mearns Oil Capsules are imported from the laboratories at Mearns, Holland. Do not accept cheap imitations. In sealed boxes, three sizes.—A-5.

TEXT—For the grace of God bringeth salvation hath appeared to men, teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously and godly, in the present world; looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ.—Titus 2:11-13.

In this passage the saved man is told how to live in the age in which he finds himself. What was good for Paul's day, Washington's day is good for our day.

The Wish and the Thought.
Little three-year-old Ruth had curly hair, and it was a great trial whenever her mamma combed it.
One day during the ordeal she cried and struggled more than usual and her mamma said:
"Why, Ruth, what will the neighbors say if they hear you?"

"I denz they'll say," answered Ratt between sobs, "if zat was my kin I wouldn't bother wif her old frien's hair."

To think is to act, but to act we
one must think wisely.

Under human government men for the individual, and for society, has two divisions—probabilities, if negative, and then positive obedience for action. Men must have some object for prohibition, they remain as fearful as laws. Men think that there are fewer things that he must not do; he must drive ungodliness and desires that encroach on the rights of others. A man only needs to look about him to be ungodliness, practically of all kinds, and he must decline to enter him in. NERVOUS PROSTRATION

May be Overcome by Lydia E. Pinkham's Vegetable Compound This Letter Proves It

Wash Philadelphia, Pa.—"During the thirty years I have been married, I have been in poor health and had several attacks of nervous prostration until it seemed as if I could never get well. I was finally cured by Lydia E. Pinkham's Vegetable Compound and it has since remained well. I can now do all my usual household and office all other women to try Lydia E. Pinkham's Vegetable Compound and I will guarantee they will receive great benefit from it. My name is Mrs. F. W. Fitzgerald, 218 1/2 1st Street, West Philadelphia, Pa."

There are thousands of women everywhere who are in the same condition, suffering from nervous, bloodless, and other symptoms of a functional derangement. It was a professional friend for health and happiness to be able to write this letter as proof of the benefit received from her compound, and find that as she has recovered from her nervous condition, she is now able to do all her usual household and office work. The fact that she is now 40 years of age is a further proof of the benefit received from her compound.

First Grade
Leona Banks, Mary McElhannon and Willard Gleske made each nine Health 2. G. C. books last week that Miss Martin took them to Chicago to show to the other community centers. Fern Gottschalk, Helen Brown, Helen Geddes, Nathan Albrecht and Robert Brown and their books in G. C. Plague's store window.

Many parents asked for a print of the "Miss Gleske" picture, and they will be finished just as soon as Mr. Erickson can do them.

We were glad to welcome Ernest Albrecht Monday morning after his long absence.

Who says first grade boys cannot win a race? Just watch us next Monday at the track meet.

We are now enjoying "The Patchwork Girl of Oz."

Our high school student teachers are very efficient, and we hope they will pass into second grade with us.

We have 565.75 in Thrift stamps, so we hope to have our quota of \$100 by June 20th.

Second Grade
Room 11 has a very new border of butterflies that the children have made. The girls and boys are taking an active interest in the work.

Third Grade
Those having 100% in spelling: Mabel Waltham, Helen Gleason, Janet O'Halloran, Evelyn Graft, Alice Jurs and Faith Satt. In arithmetic for last week were Faith Satt, Robert Waltham and Mabel Popp.

Fourth Grade
We were sorry to have Florence and Margaret Barrett leave our group. They have moved back to Chicago.

August Albrecht, sister of Fern, has been absent because of sickness in the family, came back to school on Monday.

Those who made 100% in spelling the past week were Grace Castle, Margaret Gleske, Lydia Jurs and Marie Barker, Jr.

Those who made 100% in arithmetic the highest per cent in arithmetic, Helen Gleason and Lydia Jurs.

We would be glad to give our mothers, fathers or friends a welcome to our room at any time. Come at 9 o'clock every day and spend some time with us and then you may see us enjoy our luncheon at 10:15.

We need your interest and feel that we could do better if you would come to see what we do and how we do it.

Grade 4—Room 4
Lillian Reiser and Roger Hoff are in both of the classes and are taking tests given on Friday.

Charles Albrecht is back in school after an absence of three weeks.

The highest in the class for last May were Glad Albrecht, Ed DeLoe, Walter Martin, and the girls.

The class is planning to make the initial payment on a piano for the seventh and eighth grade rooms. They hope to get "The Messenger Piano," which is made especially for school rooms.

High School
Our local track and field meet, an institution just inaugurated this year, will be held Monday afternoon, May 28, at the high school grounds.

One of the high school classes, will be going into the annual athletic fund. They a tag even if you can't attend the meet.

The evening of the same day, May 28, a benefit movie is to be given at Calver's hall under the auspices of the baseball team.

Last Days of Pompeii is taken from a book of the same name by the English novelist, H. G. Wells.

As its title suggested the story deals with the destruction of the city in the eruption of Mount Vesuvius, and in addition gives an historically accurate account of the beauty and charm of the famous city and the life of its luxurious citizens.

The plot concerns the throwing of criminals and Christians to the lions by the pharisaical rulers, some mysteries in the worship of the Egyptian god, and finally the eruption itself, leaving the Christians to signify the Last Day. Don't forget the movie "The Last Days of Pompeii" May 28, 1934.

The "Crowning of the May Queen," a pageant to be shown on the east lawn of the school grounds, will be held last May, weather conditions permitting. Don't fail to be in the neighborhood of the school on that evening, for you will see the most beautiful children can be out of doors.

Amateurism may be the best of the streets facing the lawn.

The game with Elmhurst was postponed last Friday because the team missed their train and on Monday because of a practice which the Elmhurst team could not attend.

On Friday of this week Barrington High School will play Elmhurst at Des Plaines.

Miss King gave a number of instances from her own experience with Montgomery Ward & Co., in which it has been proved beyond a doubt that education, training, tonalities and other factors were necessary by the removal of colored tones or of defects.

From two candidates about 10% of the applicants are turned down within the first month. This is because of the high standards of Montgomery Ward & Co. in which it is considered to be good health and a good education, both of which are essential to the prosperity of the firm as well as of the individual.

A BIG DAY for the Porkmaker Herd of Berkshires

On Saturday, May 17, the Porkmaker Herd of Berkshires Received in Cash \$155.00 for Pigs Sold.

For this amount 58 pigs were sold. 12 were sold for breeding and 46 for pork.

The 46 head averaged about 100 pounds apiece and brought 17 cents a pound for feeders. The 12 head averaged 75 pounds apiece and brought over 80 cents a pound.

There is a difference between pork hogs and breeding hogs. Wouldn't you like to get 80 cents a pound for your pigs instead of 17 cents? If you would, write to The Porkmaker Herd of Berkshires, or better still visit the farm between Barrington and Lake Zurich.

We have 300 head of breeding stock on hand and have several plans for buying.

Your boy can buy a couple of pigs and join the pig club. You can buy a trio of pigs and start a herd, or you can buy a bred sow that will farrow this fall. We have one plan by which you can pay for your hogs on installments. Ask about it.
