Barrington, Illinois Phone 145-M-1

**Ford Owners**

**Special Inspection Service on Your Ford**

**Free of Charge**

During the coming week, beginning next Monday, we will offer a special free inspection service to all Ford car and truck owners.

We invite you to bring your car to our service department. It will be thoroughly inspected by Ford-trained mechanics. There will be no charge. This is being done so that you, as a Ford owner, may derive the most satisfactory use of your car or truck, as well as to acquaint you with our facilities for service and to enable you to meet our organization of Ford-trained service men.

If it is found that your Ford needs repairs or adjustments of any kind, we will submit a report to you with our recommendations and an estimate of the cost. If you care to have the work done, we shall be glad to do it, and can assure you of the highest quality of workmanship, performed in a shop equipped with modern and approved machinery.

In some cases all that is necessary is a "tuning up" of the motor. We are making a special charge of only \$1.00 for this work which includes:

- Cleaning and adjusting spark plugs
- Cleaning and adjusting valves
- Cleaning distributor
- Testing battery and filling with water
- Cleaning carburetor and sediment bowl

You may bring your car in at any time next week for the free inspection. It is important for you to take advantage of this offer, especially if you are planning a vacation trip or the extensive use of your car during the summer.

**NEW CAR BUILD  
for American Use and  
Sold at an American Price**

Open American roads—congested American streets—tossing American hills—traffics with American cars.

**American engineers** had them all in mind when they designed the new **American Six**—when they gave it **survival power** and **never-failing reliability**—when they made it **the car for the world to admire**.

It's entirely new—new bodies—new chassis—new engine—and new low prices.

New bodies by Fisher—fashionably smart—longer, lower and reflecting the best American traditions of motor car beauty.

In the new chassis—new length and strength from longer wheelbase—new comfort and high-speed roadability from the new 117 and a lower center of gravity.

And the engine—the largest used in any car of Oakland's price—215 cubic inch displacement—a

785 lb. crankshaft—bridge truss crankcase—construction for rigidity.

Oil, air and gasoline filters; new camshaft-type crankcase ventilation and gasoline pump for economy and performance. Oakland's rubber-silencing principle and the Harmon-Balancer to eliminate vibration. Never before such an engine! Free it yourself at Oakland.

All America is enthralled about the All-American Six. Come in today—and join the crowd!
