## Clearing Up a Bad Situation

WE all know how easily misunderstandings arise and how hard it is sometimes to clear them up. A few minutes' conversation by long-distance will make everything clear.

Letters, though written with the best of intentions, are often cold and formal and the result sought to be gained is wholly lost.

In such a situation, turn to your telephone. A few minutes' conversation by long-distance will make everything clear.

Bell features everywhere—not only in the United States, but Canada, Cuba, Mexico, England, Scotland and Wales.
