Will Check-Mate Grafting Motor Fuel Tax Collectors

It is reported that recently, attempts have come to the attention of the motor fuel tax division of the state department of finance, that it is possible for motor fuel to be collected at the cost to them for acting as agents of the state in collecting and remitting the gasoline tax.

Want Oleomargarine in All State Institutions

There is considerable talk about the use of oleomargarine in the place of butter in the state charitable and penal institutions. If this is done, it will be a blow to the dairymen of Illinois.
