Lake Zurich Nips Old Rivals From Long Grove 9 to 8

Pitcher of 16 Years Ago Hurls Good Game for Pirates

Player	AB	R	H
Frank, ss	3	1	0
Boyer, c	5	0	1
Meyer, 2b	4	1	0
Finnon, 1b	5	1	0
Fohman, cf	3	1	2
Giese, rf	5	2	2
Adams, p	4	0	1
H. Ernst, cf	2	1	0
Totals	38	9	9

The Lake Zurich Pirates defeated their old rivals from Long Grove Sunday 9 to 8. Many errors on both sides made a very close game. Adams, pitcher for Lake Zurich 16 years ago, hurling a good game for that team. Fohman, Giese and Bands each collected two hits apiece.

Next Sunday the Pirates will play a strong Waukegan team at Lake Zurich.

Score by innings:
Lake Zurich.....004 001 01-9
Long Grove.....015 002 001-8

The Key Is Still Lost

An educated reader of the serious periodicals of Europe and America can hardly have arrived at the age of forty without having been invited to consider every conceivable solution for the problems of this wicked world. The history of mankind is the ceaseless repetition of various fairy-wand movements, none of which has ever achieved the end of view—American Spectator.

Justice Necessary

Justice in the family, in the school, in the city, in the nation, is the secret of good government.

St. Paul Takes First Place in the Softball League

The St. Paul softball team of the church league won a close game Monday night from the St. Anne group by a 3 to 2 score, thus keeping its own record unblemished and also giving the losing team its first defeat. On another diamond the Baptist team broke into the winning column by shipping Salem II by a 7 to 6 score for the latter's third straight defeat of the season.

The schedule for Monday, July 10, follows: Salem I versus St. Paul on the west diamond, Baptist versus Methodist on the middle diamond. The leaders of the two Salem teams have experienced difficulty in getting out enough players and these two teams may be combined; if not, Salem II will play St. Anne on the east diamond.

The standing of the league follows:

Team	Won	Lost	Pct.
St. Paul	3	0	1.000
St. Anne	2	1	.667
Methodist	1	1	.500
Salem I	1	1	.500
Baptist	0	2	.000
Salem II	0	3	.000

Boy Blue's Sister Is Found in Old Mexico

Eugene Field would have found a companion for his Little Boy Blue in the little girl's tomb found at Monte Alban, Mexico. She was a little lass of not more than nine or ten years of age, the archeologists say, and she had been lying in that ancient tomb for more than 1,000 years. Her little toy dog, all covered with rust, was a little red tiger with a rusted collar. Being a little girl she had no little toy soldier red with rust, but a little red toy soldier where it must have been placed in her tiny arms. No little toy soldier was found moldering in her hands, but there was a whistle. To the archeologists this is not merely a bright picture of child life in old Mexico. It is the most ancient tomb found in Monte Alban and the first of its type. And we wonder now if in that ancient Mexico there was not also a Little Boy Blue. When the archeologists find him we are sure that there will also be a little toy dog all covered with rust and a little toy soldier red with rust. Growups may change, but the things that children delight in are eternally the same.—San Francisco Chronicle.

In Speaking of Coins, "Bogus" Is Good Word

Bogus meaning counterfeit, according to a story in Nimsmatist, is a perfectly legitimate American word, which, like many others of its type, carries a curious story, and it is all that is left of the person originally responsible for its inclusion in our language.

According to the report of a trial published in 1857, in what was then the Boston Courier, the word "bogus" is the corruption of the name of one Borghese. Borghese was a manufacturer who about 60 years ago achieved considerable notoriety as a counterfeit. He did a tremendous business supplying his agents throughout the West and Southwest with counterfeit greenbacks and bills on fictitious banks.

Through the process of what is called mumbo-jumbo the name of this money maker was shortened to Bogus and his bills, as well as all others of like character were universally styled "bogus currency." Today the word is applied to anything of a spurious nature.
