Joe E. Brown in Son of a Sailor at Catlow Sunday

"Footlight Parade" Will Be Here for Three Night Engagement

Pat O'Brien, who has the title role in Warner Brothers emotional football picture, "College Coach," which will come to the Catlow theatre on February 17, was quite at home on the grill in the games filmed at the Pasadena Rose Bowl. He was once the star half back at Marquette university and won considerable fame when he crossed Notre Dame's post in a touchdown in the year when they were champions of the Middle West. Joe E. Brown's prodigious athletic ability is the envy of all of Hollywood. In "Son of a Sailor," First National picture, which will come February 18 and 19 to the Catlow theatre, Joe appears on the screen in one of the hilarious sequences as a prize-fighting actor who wins championships, wins an election with great facility. In previous pictures, Joe has appeared as a wrestler, a swimmer, a baseball player and with Bobby Jones, a golfer. These are but a few of his accomplishments. He also plays a mean game of polo, tennis and ping-pong. All this activity keeps him in excellent physical condition to carry on the strenuous work that is invariably required of him by his various characterizations. Ripped from the front pages of America's newspapers, "Wild Boys of the Road," a First National picture, will come to the Catlow theatre next Tuesday, Feb. 20, at a third engagement of what a half a million of America's boys and girls in their teens are going through in this country. Five hundred thousand of these "wild boys" was recently reported to a congressional investigating committee—boys and girls mixed, were riding on freight trains, living in "dormer bridges, in hobo jungles, in "sewer pipe cities," in swamps, victims of disease, without law, panhandling, begging, hounding, fighting, with no one seemingly caring in the least what became of them. The leading feminine role in the story is played by Dorothy Cummin, who came out of the obscurity of "Red Street" and "Gold Diggers of 1933." Other roles are taken by youths under twenty—Frankie Darro, Bobbie Phillips, Ann Howe, Sterling Holloway. With the advent of the new seasonal cycle on the screen, Warner Bros., the foremost producers of such shows, which of "Footlight Parade" which is related to show at the Catlow theatre on February 21, 22, 23, is an outstanding example may well be termed the "Ziegfeld" of the moving picture world. Certainly no other production has been able to turn out any musical picture that can compare with "Gold Diggers," or "Gold Diggers of 1933."

A. & P. Sales Increase 4 Per Cent For Period

Sales of the Great Atlantic & Pacific Tea company for the four weeks ending January 27 were \$20,922,790, 4 per cent more than \$20,242,821 for the same period in 1933 and is an increase of \$2,800,229, or 4.98 per cent. January sales represented an increase of \$2,525,111, this year, compared with \$1,438 in January, 1933. This is a decrease in quantity of merchandise sold of 14,621 tons, or 4.02 per cent. Average weekly sales in January were \$14,960,666, compared with \$14,310,000 in 1933, an increase of \$650,666. Average weekly tonnage sales were 90,129, compared with 92,969 in January, 1933, a decrease of 2,731 tons.

Village Attorney Will Be Candidate For 10th District Congressman

David B. Maloney, village attorney, will be a candidate for the democratic nomination of congressmen in the 10th district. He will be opposed for the nomination by Edward N. Nickels, secretary of the Chicago Federation of Labor and possibly other candidates. Congressman James Simpson Jr. will be opposed for the republican nomination by Ralph Church, who has been barely defeated in the last campaign.

Barrington Girls' Team Wins One, Loses Two in Trio of Game Battles

Barrington's newly organized girls' team could only capture one out of three out-of-town games played in the first week. The local girls defeated the Glenview Blue Streaks 26 to 17 Friday night, but lost to 229 12 to 15 Saturday afternoon and to Abingdon 8 to 17 Tuesday night. School Commemorate Success

Public response to the musical program presented at Barrington high school Saturday evening under the direction of W. N. Sears and Miss Helen B. Jones, was so successful that a musical evening, presented by the school pupils, intrigued the popular fancy. Numbers were given by the boys, band and also clubs, each contributing variety and musical beauty. The high quality of the program indicated that a great deal of research accompanied along musical lines at Barrington public schools.

The Skunk is a beautiful animal but you don't wait to see him when you smell him coming!
