ADVERTISEMENTS
Makes You Lose
Unhealthy Fat

A young woman of Norwich,
Conn., writes: "I lost 16 lbs. with
my first bottle of Kruschen. Being
on night duty it was hard to sleep
days but now since I am taking
Kruschen I sleep plenty, eat as
usual and lose fat, too."

To take off fat—take one half
teaspoon of Kruschen Salts in a
glass of hot water in the morning
before breakfast—one bottle that
lasts 4 weeks costs but little—get
it at Fernald Drug Co. or any
drugstore in America. If this first
bottle fails to convince you this is
the SAFE and HARMLESS way to
lose fat—your money gladly re-
turned.

Don't accept anything but Kruschen
because you must reduce
safely.
