See Sabara with their children, Mr. Marlon, and Donald.

See with Mr. Charles and family, 21 Linden Ave., Crete, Illinois.

See from the coal shovel—free from soot, smoke, and dirt. No wonder they say they installed gas heat.

"No more smoking fires. And the house stays clean the next, because there's no soot of any gas heater, too. With our old heating unit a fire heater too cool, and sharp flues often gave the children colds. But gas heat day and night."

... you invest nothing to try heating with gas are now one-half of the 1930-31 heating season. And—without investing one cent! We'll give you present furnace or boiler at our own price only the rental on the equipment. A month in the average home. You try it for the bill for the gas you use. You try it for a year. And if within the year you are not completely satisfied with gas, we'll expense and replace your former heat-workable order. But—if you decide we think you will—the rental you pay covers the purchase price of the equipment.

Act now!

Don't regret accepting this liberal offer for full details.

TRIAL OFFER!

Try home can afford to heat it at our expense... and expense, if you don't like it.

INVEST NOTHING!

Investment by you, we install the furnace or boiler. If you are not satisfied with the heating system in 30 days we make this offer because of the perfection of gas heat.
