Three wrongs righted

three members of my family made happy

just by changing the lighting in our home .

Avoid eye strain with proper light. Send today for our free lighting test of your home.

In two out of three homes, say lighting our better lighting display, simple and easy ways to protect eye, 20 to 30 foot candles of light home. And get five a brought fall on the printed page. This should he home. And get five, a numerical state, which you can improve the lighting in your should fall on the printed page. This should he home. And get five, a numerical state, "which properly diffused with no glare, no deep shadows, no contrasts to cause eyes to change focus frequently. Under such lighting eye tension is relieved. Your body relaxes. Your nerves relax, too.

Many homes lack correct lighting

Most women would be only too glad to give their families the benefit of safe lighting; to procect the eyesight of their children. But of light their have no way of measuring the lind of light their lamps give. And so night after night eyes strug-gle on with danger of permanent injury.

How to get it

Which is YOUR lamp?
