New Lamps

specially designed to protect precious eyesight

Price only \$675

The Eye Saving lamps are specially designed to provide better light, to remove handicaps which may impair eyesight. Outstanding feature is the combination of indirect and direct ight. A translucent reflector reflects light upwards, but it also lets light filter through, gives you both direct and indirect light. Glare is reduced, the strain on eyes lessened. The "Eye Saving' lamps have other features, too. Bulbs at the proper height. "Light reflecting" shades. Bulbs of proper wartage. See these marvelous new lamps at your Public Service Store. Learn, from our lighting display, simple, easy ways to improve lighting in your home. We will be glad to give you, FREE, a "lighting tape measure" which tells you whether or not a lamp is

whether or not a lamp is providing safe and adequate light.
