Small Maps for Us
 Honesty is more prevalent than many credit suppose. A paymaster, who recently placed the names of a hundred men and women in many volumes of life from a telephone directory and sent each a \$1 bill in a letter, stating that it was a refund of an overpayment on a previous bill. Within a few days, 63 of them had returned the money with a note saying he had made a mistake—Culler's Weekly.

An Old Bed Ticker
 A tick that contains a bed ticker to determine whether the sheets are damp and need washing, is one of the three old English inventions in the galleries of the Illinois Art Museum.

Professing in Afghanistan
 Throughout Afghanistan are tombs of holy men who were deliberately murdered by their friends so that the communities in which they lived could set up shrines and benefit from the resulting traffic in pilgrims.
