

Tax Collections of \$38,697.52 are Reported Locally

Penalty of 1 Per Cent on First Installment to Begin January 1

The first installment of the 1933 Cook county tax collections for Barrington township amounting to \$38,697.52 Thursday night when the books were closed for local collections...

After January 1 the property owners will be penalized 1 per cent each month on the first installment until property is put up for sale...

The amount collected since the books have been in the hands of the local collector is considered to be a relatively fair amount...

Although no official statement has been made to the effect, it is probable that this year's unusually early collection is being made with the intention of clearing up during the next few years the tax indebtedness of several years ago...
