Mandamus Writ Asked by Counsel for Country Club

Village Summoned to Be Represented in Court May 16

The village of Barrington was served with a summons Wednesday afternoon to be represented in Lake county circuit court at Waukegan May 16 to answer a petition for a writ of mandamus to compel compliance with the injunction to stop using Fire creek as an outlet for sewage flow.

The mandamus petition had been threatened by Attorney Oscar Sawyer, representing the Barrington Hills Country club and others, if the village governing body failed to take definite action in planning for compliance with Judge Shurtleff's decree.

Attorney David B. Maloney, who will appear in court May 16 to represent the village, Mr. Maloney was not reached Wednesday night by local officials who wished to learn what action he would take, but it is believed he will attempt to show the court that the village trustees have made an earnest effort to obtain a W. A. loan to finance rebuilding of the system in conformity with requirements and that action is pending of application for the loan.

Mr. and Mrs. Kainer Hurt in Auto Accident Starting on Trip to Coast

Mr. and Mrs. F. C. Kainer, former residents of Barrington, were injured in an automobile accident Wednesday night when they were starting for California to visit their daughter.

Mr. Kainer suffered broken ribs, a fractured right elbow and a broken arm. Mrs. Kainer was severely shaken up and received many bruises. Both were taken to the West lake hospital in Melrose Park.

They had planned to motor to the home of their daughter, whose husband had passed away two weeks ago.

They had planned to motor to the home of their daughter, whose husband had passed away two weeks ago.

A Proclamation It has become a yearly custom in American cities and towns to tidy up around homes, business houses and factories at about this time of each year.

The village of Barrington does not want to fall behind in this nation-wide movement of making a yearly clean-up.

Through cooperation of the local school board, the cub pack, the three boy scout troops and the sea sloushik in this village are going to give their time this year in order to help give our village its best possible appearance for the public events that are to come this summer.

During the coming clean-up days the citizens of Barrington may place their cans and other waste in boxes or bags near the street curb on the parkways, except ashes and large articles such as tanks or automobile bodies. The village truck will then pick up the waste and haul it to the village dump.

In order that this work may be done timely and speedily, I designate the first Saturday, May 13th as Barrington clean-up week. May 14th and 15th as the days when the village truck will collect the waste, and May 14th and 15th as the days when the scouts and boys will clean up to help in making our village clean.

Third Annual Play Day Will Be Held Friday, May 31

16 Rural Schools to Join Local Pupils in Races and Games

Play Day will be celebrated in Barrington Friday, May 31 with pupils of at least 16 rural schools joining in the races and games at North Side park. T. C. Hooford of the local faculty will be in charge of the event.

The program will include a variety of races and competitive matches including track and field competition in addition to games and stunts.

As in previous years, points will be awarded for each event, the school of each winner being credited for a victory. Winner of the entire tournament is the school with largest total of credits. Each of the three highest scoring schools will be awarded trophies and children winning events will receive ribbons.

Barrington Review Subscription Drive Creates Interest Gets Good Start; Room for More Candidates in District B

Participants in the race for grand capital awards offered by the Barrington Review in its "Weekly Payroll" subscription drive are off to a good start, and the first reports indicate every active contestant has an equal opportunity of winning one of the six major capital awards.

The campaign does not end until June 15, and there are still nearly six weeks for participants to accumulate credits. It is too early to determine who will be given by new 1935 Pontiac sedan valued at \$200 or the choice of a new standard Chevrolet coach, valued at \$565 or a new Plymouth business coupe, valued at \$497.

Winners of the first and second capital awards may, if they so elect, take cash.

The returns given this week, while showing the closeness of the race do not necessarily indicate the total strength of the candidates. The campaign is just starting and the compilation published this week shows credits accumulated in the first week.

In District A, all candidates have made reports. Leading the field is Mrs. Elaine Graham with 245,000. Mrs. Angie B. Montgomery is in second place with 210,000. Mrs. J. W. Landale is third with 185,000 and Mrs. R. R. Hammond is fourth with 135,000.

Conference Music Festival Monday Night, Bensenville

High school 136 pupils of Barrington high school will take part in the annual northwest conference music festival to be held at Bensenville Monday evening, May 7. The program will begin at 8 p. m.

Eight schools will be represented at the conference—Barrington, Leyden, Antioch, Warren, Libertyville, Palatine, Bensenville, and Arlington Heights. With five groups participating from each school—orchestra, band, mixed chorus, boys' and girls' glee clubs.

The various schools have been working on the same music for several months. They will meet Monday and present their combined talents at a public concert in the evening.

May 15th Is Deadline for Vehicle and Dog Tags, States E. Bunde

Notices has been posted by chief of police Bunde that after the deadline of May 15 set by the village board Monday night owners of vehicles and dogs must have their licenses or prosecution will follow.

Chief Bunde states that many dogs have been poisoned in the nearby surrounding territory and village this year and warns that pets allowed to roam may also be doing the poisoning. Who is doing the poisoning he does not know but is anxious to find out so that such practices could be stopped.

Numerous complaints have come to him he says concerning dogs both large and small that have been causing trouble through village gardens in bands and causing much damage.

Any dogs found loose without a license after the 15th of May will be picked up and the owner will be arrested under warrant. Owners who have not purchased their vehicle tags will also be arrested and fined.

Garden Club Has 3 Civic Projects for New Club Year

The Garden Club of Barrington held its first meeting of the season at Barrington Hills Country club Monday with Mrs. Olive Beeman as speaker. Mrs. Beeman discussed "Plant Problems of the Chicago Area" and illustrated her talk by the use of colored slides.

The following officers will be in charge of Garden club activities this year: Mrs. H. Stinson Hart, president; Miss Elizabeth Howland, vice president; Mrs. C. H. Canby, Jr., corresponding secretary; Mrs. Sidney George, recording secretary; Mrs. Frank Johnson, treasurer.

Mrs. Sheldon Clark and Mrs. R. Hammond are directors. Chairmen of committees are as follows: Mrs. Elizabeth Howland, program; Mrs. A. L. Eustice, extension; Mrs. John Roberts, membership; Mrs. Gordon Cameron, civic; Mrs. Robert Clark, study class; Mrs. Samuel Rose, publicity; Mrs. H. G. Zander, Chicago Club; Mrs. H. G. Zander, Chicago Club; Mrs. H. G. Zander, Chicago Club.

The club members 31 members in its history for 1933 include planter of a large bed of petunias at the west side of the local North side railway station, landscape planting at Barrington North side park, west of the field house, and a school flower show to be held in the school auditorium September 13.

Saving Reduction Offered on Sewer Assessment No. 8

Bond House Proposes Plan to Property Owners for Cash Discount

A tentative proposal has been offered by a Chicago bond house, Snyder, Walton and Co., whereby those persons having sewer assessments under warrant No. 8 can have a saving that is approximated over 10 per cent in interest.

This proposition is between the bondholders and the property owners and has no bearing on city officials. Letters will be sent out by the bond firm in the past few weeks to the various interested parties.

Following in part is a letter sent out describing the plan: "You no doubt would be interested in a reduction on your special assessment with interest to special assessment No. 8 (sewer) for a period of the next six years. We have been offered an arrangement whereby you can save more than 20 per cent (including interest and discount) as shown by the enclosed statement. There is a straight discount of 20 per cent or a saving in interest amounting to approximately over 10 per cent during that period.

Two Local Scouts to Visit National Capitol Aug. 21-30

Bruce Bierman, member of local boy scout troop 29, and Paul Kohnstamm, leader of troop 10, have submitted applications to attend the national jamboree to be held in Washington, D. C. August 21 to 30.

The national jamboree is to be held in celebration of the 50th anniversary of boy scouts of America. The local boys will represent the local council about 28,000 other scouts from all parts of the United States. A quota of 33 boys may be sent from the local council.

Boys scouts, these boys will be placed under leadership and supervision of an approved scoutmaster and two approved assistant scoutmasters, each taking care of ten boys.

A boy scout desiring to attend the national jamboree must be a first class scout on or before July 1, 1933, must have ten days approved camping experience, must attend a local preliminary jamboree training camp sponsored by the National Suburban Council, and must be able to furnish a certificate of approved examination showing specified physical fitness.

All expenses including preliminary training camp, railroad fare, food and housing will total about \$140 per scout. This is payable in full by July 1, 1933, but all applications should be made at once, at which time \$25 of the \$140 becomes due. The preliminary training camp will be held several days before leaving for Washington. Scouts will camp at Washington in sanitary camps and will be able to see many historic shrines and places of interest in addition to taking part in scout events.

To Lecture Here Gerald Girling, lawyer, globe trotter, and member of the South Dakota legislature will address public at meeting at the school auditorium at 2 p. m. Friday, Mr. Girling's lecture on his world travels will include descriptions of oddities in the customs and various people.
