Little Girl, 6, Slain by Sister in Gun Accident
 Accident Occurs to Child Sunday on Farm Near Algonquin
 Lorraine Gross, 10 years old, daughter of Mr. and Mrs. Stanley Gross, 523 Leiland avenue, Chicago, accidentally shot and killed her six-year-old sister, Alice, Sunday on the Oak Glen farm, five miles west of Barrington in Algonquin township.
 The Stanley family were visiting at the estate owned by B. L. Majowski and the children had gone into the yard to play. Lorraine found a shotgun in the garage. The gun was kept loaded to shoot crows and chickens. She fired the gun and the bullet struck Alice in the chest. She was struck in the back by the shot and died a few minutes later. Shots of both families hearing the shot rushed to the garage where they found Alice lying in the doorway. A physician was called but the child died before he arrived at the farm.
 H. C. Hook, McHenry county coroner, conducted an inquest Sunday evening at the Algonquin court house. A verdict of accidental death was returned by the jury.
WPA Project to Extend Dead End Mains Is Asked
 Engineer from Administration Examines Water System Here
 A WPA (works progress administration) engineer was scheduled to come to Barrington Wednesday to inspect the village water mains for information relative to a project for this community.
 The proposed project would extend several water mains and eliminate dead ends in the system. These dead ends, through which there but a steady flow of water, result in poor water service according to patrons who supply come from them. A patron whose pipes are connected with the end mains must let his water run for long periods of time on hot days in order to get cold water to his home, it has been pointed out.
 The village water department can obtain a project for connecting the end mains to through pipes, the water waste nuisance will be eliminated.
 John H. D. Blake of the village board visited the Chicago office of the WPA Tuesday to get the plan before the administration. This organization is operated similar to the old OWPA, providing jobs and furnishing labor for municipal projects.
IERC to Discontinue Work Relief Projects in Lake County Saturday
 Pending the taking over of unfinished jobs by the Works Progress administration all IERC projects in Lake county will go on direct relief Saturday. At present there are 100 persons in Lake county working on projects under the IERC. So definite date has been set for the WPA to take over the incomplete jobs.
 William P. Kirkham, chairman of the Lake county relief commission, made the above statement this week and according to word received from E. T. Gurney, county WPA administrator, officials at Rockford are now working on IERC projects to finish work already started.
 Proposals have been sent to the WPA asking that they take over the work and IERC officials expect proposals will be started in a short time.
 Several jobs, employing only a small percentage of persons, will be continued under the IERC to avoid waste and expense. These are of a nature providing food and clothing for relief distribution. Canning, gardening and clothes making projects are those to be kept by the IERC until completion.

Return From East
 Miss Harriet Parker has returned after an interesting summer in the East. She studied with Phillips Wesley at the University of New York for three months and since his return to Paris has enjoyed a vacation with musical friends in New York and Chicago. As formerly, Miss Parker plans to make her home in Barrington, but will spend two days a week in Barrington with her sister, Mrs. K. K. Liden.

Local Groups to Sponsor Pageant September 12th
 Program Will Be Presented at Park Playground by Scout Troops
 Civic, patriotic and religious groups sponsoring a pageant in Barrington are planning a pageant to be held at the Russell street playground September 12. Two hundred boys and girls will participate in the outdoor spectacle of human progress. Scenes will depict life as it started years ago with the aborigines and as it moved onward.
 Roy Willmering is chairman of the general committee, which consists of members from all the sponsoring organizations and accountants of the troops. Mrs. W. Paving is director and is conducting regular rehearsals.
 Participants are from all the troops ranging from the cub troop, at the ages of 9 to 12 years, to the sea scouts, from 15 to 18 years.
 Some articles are still needed by the committee for costumes and props. They are listed below and any articles loaned to the affair will be carefully handled, the committee has promised. If Mr. Willmering is notified, the committee will collect the articles at the lenders' homes.
 The things needed are: six fur caps, 6 muskets, 6 powder horns, 6 ball horns, 15 pairs of baggy trousers, preferably extra (for the Arabian scene).
 A detailed announcement of the program will be made in next week's issue of The Review.
Gjellefald Sewer Claim Settled at Meeting Tuesday
 Connection Payment of \$8500 Made by Jewel Tea at Same Time
 Litigation that had been pending for six years was closed Tuesday when A. C. Burandt, village clerk, A. W. Wiedenbeck, village treasurer, R. W. Maul, Jewel Tea representative and G. Gjellefald met at the First National Bank of Barrington and distributed \$8500 to the village board and Gjellefald in settlement of claims.
 The matter hanging fire for six years was the payment of the Houge sewer installed in 1929 as a connecting link between the village system and the Jewel sewer. The village sewer contractor had never been paid and had entered suit against the village for \$17,371.10. Several meetings were held by the village board and Gjellefald and a compromise figure of \$4800 was reached.
 Jewel Tea, which had the sewer two weeks ago to pay the village \$8500 for connection cost of the Milwaukee sewer.
 At the meeting Tuesday Jewel and the village received releases on the file from Gjellefald. Gjellefald was paid his money at the same time Jewel presented its check. The remaining \$4800 of the Jewel settlement will be used in sewer work.

Paving Contract Let for Main Street Job by Lake Zurich Board
 William Frehm and John Schultz were awarded the contract for the Lake Zurich village board for cement work to be started in Lake Zurich soon. Paving will be laid along Main street, in front of St. Peter Evangelical church, from money received in the state gasoline tax fund.
 The contract awarding the job to Frehm and Schultz has been forwarded to Springfield for final approval of the project and work will be started when the papers are returned from the capital.
 A sum of \$1500 is to be spent along the street to furnish more space in front of the church for vehicle traffic. Necessary funds are derived from collections made by the state tax on gasoline.

Board's New Tile Plan in McIntosh Section Approved
 Police Light Changed; Plans for Outfall Sewer Tile Being Prepared
 Board members expressed a feeling of satisfaction, after a meeting Friday night with property owners in McIntosh's subdivision, concerning the installation of a new sewer. Property owners expressed approval of the system as now planned.
 At present there is no sewer outlet in that section of the village and the board has drafted a plan whereby the work would be included in the new sewer project as a reasonable cost. Forty dollars has been set as a tentative figure in the preliminary discussion.
 Trustee John Daeschler reported that the Western Union Telegraph company and Chicago and North Western railway company had granted permission for the installation of the police signal light to a pole located in the triangle in front of the Standard Motor company. This is the first step in changing village lines so that the poles may be removed from the downtown district.
 At present only certain poles on Park street and Cook street carry village wire and street lighting.
 Upon a motion by John Carrell and seconded by H. D. A. Grobe the board passed a motion directing the village engineers to prepare a report on the outfall sewer. The report is to be prepared by the group as soon as they have found some recommendation.
 The outfall sewer is that tile which is to be constructed from the disposal plant to a point on Flint creek either at route 19 or on route 22 which is being offered by the engineer. Trained sewer work will be carried at either of those places. This is the first step in preparing for actual construction work.
C. E. Paxton Named as State Legion Delegate to National Convention
 C. E. Paxton, local Legionnaire, was named as alternate delegate from the state of Illinois to attend the national convention of the American Legion in St. Louis, September 23 to 29. He was given this honor by the state convention in Quincy this week.
 Mr. Paxton attended the state convention with M. H. Schreiber, Barrington post commander and E. J. Langsdorf, Mrs. C. Loveland and Mrs. A. Kohmet attended as delegates from the local American Legion Auxiliary.

Village Trustees Unable to Settle Engineers' Claim
 Heated Discussion Arises in Attempt to Compromise Friday Night
 A heated discussion arose Friday evening when the village board met with B. Subr and C. Peterson, representatives of Subr, Peterson, Berryman and Subr, former village engineers, and their attorney G. Foster. The purpose of the meeting was to try to reach a settlement of a suit now pending against the village for entering a claim, which was abandoned or never definitely undertaken by the village.
 A reduction was offered by the engineers but it was not found acceptable to the trustees. Considerable debate was done by both sides in an effort to reach a just compromise figure, and the discussion was heated at times.
 D. B. Maloney, village attorney, was instructed by the board to meet with Mr. Foster this week. The board decided that the attorneys wait over the situation again, perhaps a reasonable compromise figure could be reached.
Wage Schedule for Work Projects in County Released
 Wages for WPA workers in Lake county are to be set in three installments with common labor at \$45 a month, semi-skilled at \$55 and skilled at \$77. This is for a 35 hour week of 140 hours a month. Under WPA contracts installed by H. D. Kealey, township supervisor, at Wauegan this week.
 Barrington is listed in section 1 of area 13 with Wauegan as the largest city in Barrington. All work done in Barrington under WPA contracts in Lake county, will pay the above mentioned wages. Salaries are determined by the largest city in the area and according to the standard set up in that city. In Lake county there is a possibility that the wages may be higher.
 All projects set up in Lake county have been returned for ratification and each job must be drawn up separately, instead of being included in a group, as some jobs have been.
 Any contemplated jobs to be set up in the WPA before the 15th of September, which has been set as the deadline for work projects.
Mrs. Emily Gleason Celebrates 91st Birthday Monday—Here Since 1872
 One of Barrington's oldest residents, Mrs. Emily Gleason, celebrated her 91st birthday quietly Monday in the house at 213 W. Lincoln street, which has been her home since 1872.
 There was no regular "party," just informal open house for old friends who kept dropping in from morning until evening to express good wishes and congratulations. Mrs. Gleason, 72, is the wife of the late John Gleason. Two of her children live in Barrington, Mrs. Della Cady and Arthur Gleason.
 There are two sons living at a distance, Arthur Gleason of Bogusie, Wis., and T. R. Hawks of Chicago, Ill. Mrs. Gleason has five grandchildren.
 Reading and making of rugs occupied most of Mrs. Gleason's time until her eyes began to fail. She was a charter member of Eastern Star, an active worker in the Baptist church, a member of the W. R. C. and one of Barrington's best librarians.
 Born in New York, she came west with her family as a child. They moved to Wisconsin, then Missouri. Her father died during the Civil War. Later, as a widow with three small children, she moved to Barrington, making her home at 213 W. Lincoln avenue. She has spent the past 20 years at that site.
State Highway Patrolman Suffers Lacerations in Car Accident Saturday
 William Gallagher, state highway patrolman, suffered lacerations about the face when a car driven by Miss Bonnie McBride, Mundelein, struck his motorcycle on route 176 in Mandelino Saturday.
 Miss McBride was not injured, although the motorcycle was heavily damaged and the fender and running board of the car smashed. Officer Gallagher was taken to his home here, where he is recovering medical attention from a local doctor.
